Any resident who lives in the Town of Yucca Valley is eligible to participate in the Spay & Neuter Voucher Program. There are no restrictions on personal income level. A pet owner/family is allowed to receive up to three (3) vouchers for dogs and/or cats. Once a pet owner/family has received up to three (3) vouchers, they may not apply for another Town voucher for a time period of 5 years after the last voucher was received. **If you have more than one pet, please complete a separate application for each pet.** The approval process may take up to two (2) weeks. The spay/neuter vouchers have a value of \$60.00 for dogs and \$35.00 for cats. The pet owner is responsible for any charges that go over and above these amounts.

Currently there are a total of three (3) participating veterinarians/animal clinics. When you schedule an appointment, let them know you have a Town spay/neuter voucher. When you take your pet to be altered, present the voucher to one of those veterinarians/animal clinics who will include the discount in the amount specified on the voucher given to you. The participating clinics are:
