Mr. Curtis Yakimow, Director of Admin Services  
Town of Yucca Valley  
57090 29 Palms Highway  
Yucca Valley, CA 92284

Dear Mr. Yakimow:

Subject: Long-Range Property Management Plan

Pursuant to Health and Safety Code (HSC) section 34191.5 (b), the Town of Yucca Valley Successor Agency (Agency) submitted a Long-Range Property Management Plan (LRPMP) to the California Department of Finance (Finance) on September 12, 2013. Finance has completed its review of the LRPMP, which may have included obtaining clarification for various items.

The Agency received a Finding of Completion on March 14, 2013. Further, based on our review and application of the law, we are approving the Agency's use or disposition of all the properties listed on the LRPMP.

In accordance with HSC section 34191.4, upon receiving a Finding of Completion from Finance and approval of a LRPMP, all real property and interests in real property shall be transferred to the Community Redevelopment Property Trust Fund of the Agency, unless that property is subject to the requirements of an existing enforceable obligation. Pursuant to HSC section 34191.3 the approved LRPMP shall govern, and supersede all other provisions relating to, the disposition and use of all the real property assets of the former redevelopment agency.

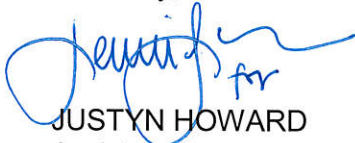

Agency actions taken pursuant to a Finance approved LRPMP which requires the Agency to enter into a new agreement are subject to oversight board (OB) approval per HSC section 34181 (f). Any OB action approving a new agreement in connection with the LRPMP should be submitted to Finance for approval.

Pursuant to HSC section 34167.5 and 34178.8, the California State Controller's Office (Controller) has the authority to claw back assets that were inappropriately transferred to the city, county, or any other public agency. Determinations outlined in this letter do not in any way eliminate the Controller's authority. Should the Controller claw back real property assets not contemplated in the existing approved LRPMP, the LRPMP must be revised to include these additional assets. The revised LRPMP must be approved by the OB and Finance before the disposition of these clawed back assets can occur.
