PUBLIC HEARING

- 16. **Annual Assessment Engineer’s Report for Previously Formed Street & Drainage and Landscape & Lighting Maintenance Districts, Levying Annual Assessments**

Upon Real Property Within Districts, Resolution

A RESOLUTION OF THE TOWN COUNCIL OF THE TOWN OF YUCCA VALLEY, CALIFORNIA, CONFIRMING THE ASSESSMENTS AS SET FORTH IN THE ENGINEER’S REPORTS FOR LANDSCAPE AND LIGHTING MAINTENANCE DISTRICTS AND STREET AND DRAINAGE MAINTENANCE DISTRICTS AND DECLARING ITS INTENT TO LEVY AND COLLECT ASSESSMENTS UPON REAL PROPERTY WITHIN SAID DISTRICTS FOR THE 2011-2012 TAX YEAR

Deputy Town Manager Stueckle presented the staff report in the printed agenda and gave a PowerPoint presentation. The assessment of an annual fee upon properties within the district provides the revenue to offset the cost of maintenance of the public improvements necessary to serve the development.

Mayor Huntington opened the public hearing, and as no one appeared to speak, he closed the hearing

Council Member Abel moved to adopt Resolution No. 11-28, approving and confirming the assessments as set forth in the Engineer’s Reports and declare its intent to levy and collect assessments upon real property within the existing districts for the 2011-12 tax years and authorize the levy of assessments as recommended in the Engineer’s Reports. Council Member Hagerman seconded. Motion carried 4-0 on a roll call vote.

- AYES: Council Member Abel, Hagerman, Rowe and Mayor Huntington.
- NOES: None
- ABSTAIN: None.
- ABSENT: None

17. Church Street, Between Onaga Trail and Joshua Drive, Improvement Project, Acquisition of Property

A RESOLUTION OF THE TOWN COUNCIL OF THE TOWN OF YUCCA VALLEY, CALIFORNIA, DECLARING THAT PUBLIC INTEREST AND NECESSITY REQUIRE ACQUISITION OF FEE INTERESTS IN PORTIONS OF THE PROPERTY KNOWN AS ASSESSOR’S PARCEL NO. 0587-011-18

A RESOLUTION OF THE TOWN COUNCIL OF THE TOWN OF YUCCA VALLEY, CALIFORNIA, DECLARING THAT PUBLIC INTEREST AND NECESSITY REQUIRE ACQUISITION OF FEE INTERESTS IN PORTIONS OF THE PROPERTY KNOWN AS ASSESSOR’S PARCEL NOS. 0587-011-04 & 0587-011-024

Deputy Town Manager Stueckle presented the staff report and gave a PowerPoint presentation explaining eminent domain requirements. Town Staff has attempted to acquire portions of the properties necessary for the project from the two property owners, however it is believed that Jacubiec is deceased and Kazangian has not contacted the Town on any of our offers. He noted that eminent domain is never one the Town wants to use, and has only been used one other time in the Town's history, however that proceeding was never completed due to negotiations with the property owner.

Mayor Huntington opened the public hearing.

Ruth Vuncannon, Yucca Valley, spoke in favor of the request on behalf of the 7th day Adventist Church. She also requested that the street sign on the corner of Church and Joshua Drive be replaced.

Fritz Koenig, Yucca Valley, commented he does not see any evidence that shows this is necessary for public safety, stating this road is no different than any other dirt roads in the Town. There has also been no discussion regarding legal costs.

Margo Sturges, Yucca Valley, suggested that more information is needed.

Amy Fauls, Yucca Valley, spoke in favor of the request.

There being no one else wishing to speak, Mayor Huntington closed the public hearing

In answer to the comment that this road is no different than other dirt roads in the community, Deputy Town Manager Stueckle advised there is a significant difference between this road vs. neighborhoods where dirt roads are primarily located. The density on this road is ½ acre lots or less, and paved access is absolutely necessary for that intense development. With regard to the request to replace the street name sign at Joshua Drive and Church, staff will make sure that happens either with the construction or through our maintenance program.

Town Attorney Laymon explained the judicial process associated with eminent domain proceedings.

Town Manager Nuaimi commented regarding the safety issues noting this past winter the Town received an emergency call from neighbors concerning the immediate erosion happening on Church Street, and we were required to dispatch resources to repair it. Once the development project close by moves forward there would be less water, however there is a natural water course through that development that is not mitigated by the Mesquite 55 project, nor are they obligated to mitigate that.

Council Member Abel questioned if the Town is allowed at this time to readjust the requirements of the developer's conditions of approval. Deputy Town Manager Stueckle commented there was no nexus based upon trip generation coming out of that project to make construction of those improvements a requirement. Council Member Abel commented that the developer is required to keep water on their own property, noting the problem that is occurring now is not because of development, it is just the nature of that parcel and land. Deputy Town Manager Stueckle advised that project constructed a retention basin designed to capture incremental increase in storm flows caused by increasing the amount of impervious areas. Onaga trail at Church has always filled up with sand in larger storms. Council Member Abel questioned if we have heard from the residents that currently have homes on the west side of Church Street having concerns about the proposed paving. Deputy Town Manager Stueckle stated that staff has worked diligently with the property owners to make sure impacts were eliminated or minimized to make sure the improvements on their property were not disturbed. Council Member Abel expressed concern regarding spending the people's money every year to bull doze the dirt back onto the road. He is glad to see the Town is going to be addressing this particular section of road.

Council Member Hagerman commented regarding the safety concerns due to flooding threats and dirt going onto Onaga. He is happy to see the Town taking the steps to get the road paved.

Council Member Rowe stated she would hope that the appraisal was taken at the height of the market rather than at the bottom. Town Manager Nuaimi commented that is not typical when talking about property that would be dedicated for easements, noting that land has nominal value regardless of the intent of the property that is going to be taken. He noted that many people donate their easements. Council Member Rowe commented if the property owner subdivided their property it would trigger that right-of-way, but not if they want to maintain it as an empty piece of property. We ought to make sure we are justly reimbursing them. She questioned what the Council's involvement is in the issue from here on out. Town Attorney Laymon advised if there is any form of settlement proposed it would have to come back to the Council for approval.

Mayor Huntington questioned if the Town is required to pay for an appraisal if the property owner obtains on his own. Deputy Town Manager Stueckle stated that is correct noting we would have to pay up to \$5,000.

Council Member Rowe questioned if the budgeted amount takes legal fees into consideration. Deputy Town Manager Stueckle commented there is a small amount but if there are significant fees they are not covered in the project.

Mayor Huntington commented the property owner is getting a benefit for that property.

Council Member Hagerman moved to adopt Resolution No. 11-29 and Resolution No. 11-30, declaring that the public interest and necessity require acquisition of fee interests in portions of the property known as Assessor's Parcel No. 0587-011-18 and Assessor Parcel Nos. 0587-011-04 & 0587-011-024. Council Member Abel seconded. Motion carried 4-0 on a roll call vote.

AYES: Council Member Abel, Hagerman, Rowe and Mayor Huntington.

NOES: None

ABSTAIN: None.

ABSENT: None

18. FY 2011-12 Proposed Budget Adoption.

A RESOLUTION OF THE TOWN COUNCIL OF THE TOWN OF YUCCA VALLEY, CALIFORNIA, ADOPTING THE BUDGET AND APPROVING APPROPRIATIONS FOR THE FISCAL YEAR COMMENCING JULY 1, 2011 AND ENDING JUNE 30, 2012 AND DESIGNATING THOSE OFFICIALS AUTHORIZED TO MAKE REQUISITIONS FOR ENCUMBRANCES AGAINST APPROPRIATIONS

A RESOLUTION OF THE TOWN COUNCIL OF THE TOWN OF YUCCA VALLEY, CALIFORNIA, ESTABLISHING THE SPENDING LIMITATION FOR FISCAL YEAR 2011-12

A RESOLUTION OF THE TOWN COUNCIL OF THE TOWN OF YUCCA VALLEY, CALIFORNIA, AUTHORIZING POSITIONS AND SALARY SCHEDULE FOR FISCAL YEAR 2011-12

RESOLUTION OF THE TOWN COUNCIL OF THE TOWN OF YUCCA VALLEY, CALIFORNIA, FOR EMPLOYER PAID MEMBER CONTRIBUTIONS

Administrative Services Director Yakimow gave the staff report presented in the printed agenda and a PowerPoint presentation. The proposed budget is an operationally balanced budget for all Town Funds. With regard to the Public Safety program, the primary goals remain to provide excellent public safety. It is proposed to continue the FY 2010-11 Schedule A Budget which equates to a \$149,000 reduction from the proposed FY 2011-12 Schedule A cost. The proposed approach to accommodate the reduction is execution of the FY 2011-12 Schedule A as proposed and reduction in the School Resource Officer effective October 1, 2011 depending on initiative outcomes, submission of COPS Hiring Program grant, outreach and information sharing with the

Morongo Basin School District involving Town Staff and the Sheriff's Department regarding potential impacts of SRO reduction, County negotiation resolution and state budget resolution. Staff will return to Council with an update on the initiatives in September.

Mayor Huntington opened the public hearing.

Richard Harlan, Yucca Valley, commented regarding the budgeted amount for signs and the fact that the illuminated signs on the highway do not last very long.

There being no one else wishing to speak, Mayor Huntington closed the hearing.

Council Member Rowe requested an explanation of the approach regarding the contract with the Sheriff's Department. Administrative Services Director Yakimow advised the approach is that the Schedule A line item cost in the budget remains at 3.1 million which is the same as for the 2010-11 budget. The idea is that the initiatives laid out will enable us to continue that current contract.

Council Member Abel questioned if the Town will approach the school district about participating in the School Resource Officer program regardless of the outcome of the initiatives. Administrative Services Director Yakimow stated yes, that discussion is worthy of having particularly if we can consolidate that discussion with the Sheriff's Department in attendance. He noted the district was committed to funding a portion of the position until 2 years ago. There is a definite benefit to having that position, not only in terms of response time, but in terms of preventative action as well. Council Member Abel questioned if all services will remain same level and we will have answers regarding the grant and school district participation by the time Council readdresses this issue. Administrative Services Director Yakimow stated yes noting that the \$150,000 is not a make or break issue, the point is that for the last 4 ½ years the Town has cut made cuts in all our departments, and the last thing we want to do is trim back public safety, but in continuing reduced revenues there is only so much we can contract. Council Member Abel commented there is probably no way the Town will be able to get 50% participation from the district, but if they see value to them they will see a benefit to at least funding a portion of it.

Council Member Hagerman requested updates along the way about how these other funding sources are coming, noting these types of discussions aren't taken lightly. The School Resource Officer does and can act like a backup deputy if there is other crime going on.

Mayor Huntington thanked staff for meeting the challenge of bringing a balanced budget forward again and maintaining a reserve within policy limits.

Council Member Rowe moved to adopt Resolution No. 11-31, approving the Fiscal Year 2011-12 proposed budget, and designating those officials authorized to make requisitions for encumbrances against appropriations; adopt Resolution No. 11-32, establishing the spending limitation for Fiscal Year 2011-12; adopt Resolution No. 11-33, authorizing positions for Fiscal Year 2011-12, and authorizing pay ranges for such positions for Fiscal Year 2011-12, effective July 2, 2011; adopt Resolution No. 11-34, that Town Employees contribute eight percent of the Employee Portion of the employee's PERS retirement plan, effective July 2, 2011; limit merit increases for eligible employees to a one-step increase (2.5%), and approve a transition assistance package for current employees whose positions have been eliminated for the 2011-12 Fiscal Year; approve an amendment to the contract with the San Bernardino County Sheriff's Department, and authorize the Town Manager to sign on behalf of the Town; approve the staff recommendation regarding the public safety budget including the continuation of the FY 2010-11 funding level, with the intent to absorb any potential reduction in hours through grant applications, current grant funding, or specialized task force activity, and direct staff to return prior to October 1, 2011 with an update; approve the staff recommendation of the proposed employee benefits package that was presented to Council on May 17, 2011, and direct staff to update, revise and return the Town's Employee Handbook to Council for ratification in August 2011; and approve the staff recommendation for the reservation of fund balance in an amount of \$700,000 to be used in meeting a portion of the Town's infrastructure deficit. Council Member Hagerman seconded. Motion carried 4-0 on a roll call vote.

AYES: Council Member Abel, Hagerman, Rowe and Mayor Huntington.
NOES: None
ABSTAIN: None.
ABSENT: None

Town Manager Nuaimi acknowledged the staff in attendance in the audience, and specifically thanked Administrative Services Director Yakimow and Senior Accountant Ainsworth for going above and beyond to get the budget document in the Council's hands. He also thanked all the other staff for allowing us to bring forward a balanced budget and making an investment in deferred infrastructure.

DEPARTMENT REPORTS

19. Memorandums of Understanding Between Marine Air Ground Task Force Training Command, Marine Corps Air Ground Combat Center, Twentynine Palms, California, San Bernardino County, and the City of Twentynine Palms

Human Resources/Risk Manager Lassetter gave the staff report in the printed agenda, noting the City of Twentynine Palms will be seeking approval of the MO U's at their next meeting.

Council Member Hagerman questioned how these MOU's work with the Marine Base as far as prioritization. Human Resources/Risk Manager Lassetter stated they will be called in as a last resort, noting we contact the County first, who will then contact the state if necessary and if they are too overwhelmed to assist, then assistance will be requested from the Base.

Mayor Huntington commented these agreements are very straight forward, noting the Marine Corps is a valuable asset to the basin.

Council Member Abel moved to approve the Memorandums of Understanding (MOU) for Emergency Management, Communication Support, Public Works Support, Transportation Support, Logistics Management and Resources Support, and External Affairs between the Marine Air Ground Task Force Training Command (MAGTFTC), Marine Corps Air Ground Combat Center (MCAGCC), Twentynine Palms, California, San Bernardino County, and the City of Twentynine Palms. Council Member Hagerman seconded. Motion carried 4-0 on a voice vote.

20. Authorization to Submit Grant Application to the State of California Department of Parks and Recreation for Proposition 84 Funding.

RESOLUTION OF THE TOWN COUNCIL OF THE TOWN OF YUCCA VALLEY APPROVING THE APPLICATION FOR STATEWIDE PARK PROGRAM GRANT FUNDS

Town Manager Nuaimi advised of the need to pull the item and call special meeting for next week.

21. General Plan Update, Preliminary Staff Report, Award of Contract Service Agreement

Deputy Town Manager Stueckle presented the staff report and a PowerPoint presentation. The General Plan Proposal Review Committee interviewed The Planning Center, Hogle Ireland and RBF on June 16th and recommended the contracted be awarded to The Planning Center/DC&E in an amount not to exceed \$1,019,741. He introduced Brian Judd, Principal in charge for the update, and Wendy Grant, General Manager for the update.

Mr. Judd insured the Council the Town will be getting more from his firm than they promise, noting he is excited to be able to build on the Town's identity.

Wendy Grant displayed a chart showing the process and time line, noting the primary exercise they will start out with is the visioning process. They will create a community

profile looking at demographics and how Yucca Valley compares in the region.

Margo Sturges, Yucca Valley, questioned why this company was selected as opposed to the other two that are already known to the Town.

Council Member Hagerman commented he is happy to see a fresh set of eyes looking at our Town. He commented regarding frustration and concern that every time we do something like this the same people attend the same meetings, and questioned the most effective approach to reach the average citizen. Ms. Grant stated that they go where people are going and set up a booth where people gather. They will also have an on-line forum that will help track where comments are coming from.

Council Member Abel commented that he is also pleased to have a fresh set of eyes look at the General Plan, and questioned if they will be reviewing the Parks Master Plan and Old Town Specific Plans. Ms. Grant stated that as they sit down and work with the existing plans, they may come up with alternative suggestions. Council Member Abel questioned how many cities the Planning Center is dealing with presently and if there are any similar to Yucca Valley. Deputy Town Manager Stueckle advised the firm has a number of different offices all across the state, and has a high number of General Plan updates recently completed. He noted one of the questions key to the committee's decision was the availability of the Project Manager. Ms. Grant advised she is working on 3 or 4 other projects that have very different time lines. They will work through schedules and make sure there isn't a conflict so that the Town gets the attention it requires.

Council Member Rowe welcomed the Planning Center to Yucca Valley and commented regarding the cost and the financial challenges the Town is facing, noting any wiggle room they can find in the budget would be greatly appreciated.

Mayor Huntington stated he is also excited, noting he had the pleasure of working on the original general plan, and is looking forward to the process.

Town Manager Nuaimi commented all three of the candidates gave outstanding presentations, noting one choice for the committee was the fact that they are a new set of eyes. Another thing that really swayed the decision was the depth and breadth of their organization. He added they really want to engage the Youth Commission in the process also.

Council Member Rowe moved to award the General Plan Update Contract Services Agreement to The Planning Center/DC&E in an amount not to exceed \$1,019,741.00, authorizing the Town Manager to negotiate the final contract sum and scope of services within the not to exceed amount, and authorizing the Mayor, Town Manager, and Town Attorney to sign the agreement and adopt Resolution No. 11-35, amending the

Fiscal Year 2010-11 Adopted Budget by appropriating \$450,000 of General Fund Reserves to assist in the funding of the General Plan Update. Council Member Hagerman seconded. Motion carried 4-0 on a roll call vote.

22. Approval of the GASB 54 Fund Balance Policy and Resolution

RESOLUTION OF THE TOWN COUNCIL OF THE TOWN OF YUCCA VALLEY, CALIFORNIA, APPROVING THE TOWN OF YUCCA VALLEY GENERAL FUND EMERGENCY CONTINGENCY RESERVE COMMITMENT OF FUND BALANCE FOR THE GENERAL FUND

Administrative Services Director Yakimow advised this item is required by the Governmental Accounting Standards Board. The policy explains the five components of fund balance and formally delegates to the Administrative Services Director, as required by the statement, the assignment of fund balance for specific purposes for inclusion in the annual financial reports. Prior to GASB Statement No. 54, these amounts were reported by the Administrative Services Director as unreserved and designated and did not require Town Council delegation.

Council Member Hagerman Moved to approve the Fund Balance Policy and Adopt Resolution No. 11-36, approving the Town of Yucca Valley General Fund Emergency Contingency commitment of fund balance for the General Fund. Council Member Rowe seconded. Motion carried 4-0 on a voice vote.

FUTURE AGENDA ITEMS

Mayor Huntington requested selection of a new Mayor Pro Tem, selection of an ad hoc committee to meet with the School District, and reorganization of Council committees and assignments. Council agreed.

PUBLIC COMMENT

Richard Harlan, Yucca Valley, requested further discussion regarding purchase of illuminated signs on the highway and noted he agrees with placing a 1% sales tax on the ballot but does not agree with charging .05% interest to the Water District.

Sherry Goodlander, Yucca Valley, animal shelter, commented regarding grading activity at the animal shelter.

Ernie Goodlander, Yucca Valley, commented regarding the activity at the animal shelter.

Town Manager Nuaimi advised that biological studies such as the desert tortoise and native plant studies have been done and trenching is underway as part of the seismic evaluation portion of the necessary environmental reports.

STAFF REPORTS AND COMMENTS

Deputy Town Manager Stueckle advised that the Engineering staff will be proceeding with advertisements for bids for the slurry and cape seal projects approved this evening, and the item will be on the agenda in August for award of bid.

MAYOR AND COUNCIL MEMBER REPORTS AND COMMENTS

23. Council Member Abel

Wished Joshua Tree National Park a happy 75th birthday.

Reported regarding attendance at the San Bernardino homeless partnership event and thanked them for coming to Yucca Valley. TOWN OF YUCCA VALLEY
SPECIAL TOWN COUNCIL MEETING MINUTES
June 21, 2011

Mayor Huntington called the special meeting of the Town of Yucca Valley Town Council to order at 8:45 p.m.

ROLL CALL

Council Members Present: Hagerman, Luckino, Rowe, and Mayor Huntington.

DISCUSSION ITEMS

1. Town Council Vacancy – Discussion

Town Manager Nuaimi advised that Mayor Pro Tem Frank Luckino has submitted his resignation effective June 19th. We now have 60 days to take action by appointing a member for the remainder of the term or calling a special election. The Ordinance adopted earlier this evening regarding additional possible procedures to fill Council vacancies will become effective in 30 days. Staff is seeking guidance on the process Council would like to use to fill the vacancy by the August 14th deadline.

Council Member Rowe stated she is not in favor of calling a special election, and does not feel the seat can be left vacant.

Council Member Abel and Hagerman agreed that their preference is to appoint a member.

Mayor Huntington commented that Council has set precedent by the last appointment and should continue.

Upon discussion it was determined that the previous applicants should be approached regarding their continued interest and that the position be advertised for any new applicants. There should be a couple of special meetings so that the appointment can be made before the end of July.

Mayor Huntington suggested that applications be due by July 14th. A Special Meeting should be held the week of July 18th review applications, and interviews held at a Special Meeting the week of July 25th.

ADJOURNMENT

There being no further business Mayor Huntington adjourned the meeting at 8:50 p.m. and reconvened the regular meeting.

Mayor Huntington called the special meeting of the Town of Yucca Valley Town Council to order at 4:00 p.m.

ROLL CALL

Council Members Present: Abel, Hagerman, Rowe, and Mayor Huntington.

DISCUSSION ITEMS

1. Selection of Mayor Pro Tem.

Mayor Huntington opened the floor to nominations for Mayor Pro Tem.

Council Member Hagerman moved to nominate Council Member Rowe as Mayor Pro Tem. Council Member Abel seconded. Motion carried 4-0 on a voice vote.

2. Authorization to Submit Grant Application to the State of California Department of Parks and Recreation for Proposition 84 Funding; Approval of the Propose Brehm Park Lease Agreement.

RESOLUTION OF THE TOWN COUNCIL OF THE TOWN OF YUCCA VALLEY APPROVING THE APPLICATION FOR STATEWIDE PARK PROGRAM GRANT FUNDS

Town Manager Nuaimi gave the staff report recommending the adoption of the Resolution approving the application for statewide park program grant funds for the proposed Brehm Park and approve a lease agreement. State law requires that the agency hold ground control for 30 years, which is demonstrated by the lease. The Basin Wide Foundation owns all the property and the draft lease will only be executed if the Prop 84 funds are received. A letter of commitment will be sent with the application. It was noted that much of the language in the lease is dictated by the grant.

Community Services Director Schooler advised the grant program is in its second of two rounds for state Prop 84 funding to fund parks in severely underserved communities. He noted that grant writers have been engaged to assist who have held numerous public workshops to seek input.

Mike Alberg, Yucca Valley, questioned if receiving the grant would require that the project become a Town project subject to prevailing wage. He added it

appears the park has come a long way from the original proposal for a turnkey park where they build it and we take it over afterward.

Margo Sturges, Yucca Valley, commented regarding the Town becoming involved in construction of the park.

Mayor Huntington commented that the use of any tax payer money requires prevailing wage, and questioned if the Foundation can still construct portions of the property without the Davis Bacon prevailing wage provisions. Town Manager Nuaimi stated that they can still make improvements to the property without Davis Bacon. He noted the scope of this project is substantially greater than what was originally envisioned. The original proposal would have been all grass turf, and the new proposal does have some Astroturf. In addition, there are a number of other enhancements tied to the project that are specifically grant driven for green energy etc. Mayor Huntington added that a public private partnership helps the viewing in the eyes of those reviewing the grant application.

Cindy Melland, Basin Wide Foundation, advised that the Foundation will continue to work toward finishing the park, however, in this economy, the grant would make a difference between finishing in a long time or finishing sooner. The Foundation has still invested well over a million dollars, and is looking at someone funding the entire Miracle League field.

Council Member Rowe commented that the lease agreement is just a formality for the grant and questioned if the Town would have to return the money if it did not fulfill the terms of the lease. Town Manager Nuaimi stated that staff will have to go back and look at the issue, but we will have a contract with the State and a lease with the Foundation. He noted the lease agreement is the first check point, and if we don't have land control our application will not be considered. Council Member Rowe stated this is the first time Council has heard the \$40,000 figure and questioned if the lease can be amended. Ms. Melland advised of the relationship of the lease amount and the Basin's ability to fund scholarships for sports programs. Town Manager Nuaimi stated there will probably also be other letters and agreements referencing what happens if the grant application is successful and what happens if it isn't.

Council Member Abel commented he did not remember discussions regarding scholarships and the lease agreement, noting it was going to be a turnkey facility that the Town would maintain. With the way the Town's budget is, and the way the state budget came down, he is very nervous about how we obligate more money. He noted he likes the idea of the scholarship portion but doesn't see

reference to it in the language. Town Manager Nuaimi advised the Town is not signing the lease today, just asking Council approval of the Resolution for the application and the letter of commitment stating that the Town is committed to signing a lease.

Ms. Melland stated the Foundation has asked the Attorney if any excess funds raised can be donated to the Town to offset maintenance costs, or if it has to go into amenities. She noted the Foundation’s intent has always been to partner with the Town.

Mayor Huntington recommended that the 3rd portion of the recommendation be amended that the lease be brought back to the Council before it is executed. Town Manager Nuaimi advised that portion can be deleted.

Council Member Hagerman stated he wants to make sure that the Council has made the Brehm Youth Sports Park a priority for the Town in some shape or form, and questioned if we are back to the drawing board if this funding doesn’t come through. Town Manager Nuaimi advised it puts us back to the drawing board as far as identifying funding sources. Council Member Hagerman advised that regardless of the success of the Prop 84 or possible sales tax measure, the Council’s commitment to the park isn’t diminished.

Mayor Huntington announced he has been member of the Basin Wide Foundation since its inception, but has never been on the board or held office, and therefore has no conflict of interest. Council Member Hagerman and Abel advised they are also members but have not held office.

Council Member Hagerman moved to adopt Resolution No. 11-37, authorizing staff to submit a grant application to the State of California Department of Parks and Recreation to seek Proposition 84 funding for the Brehm Park project; 2) Approve the proposed Brehm Park lease agreement Commitment Letter. Council Member Rowe seconded. Motion carried 4-0 on a roll call vote.

PLEDGE OF ALLEGIANCE

Led by Mayor Huntington

DISCUSSION ITEMS

1. Town Council – Review Applications for Appointment

Town Manager Nuaimi gave a brief staff report advising all prior applicants were contacted and asked if they would like their applications resubmitted and new applications have been received.

Michal Alaniz, Yucca Valley, advised of her background and reasons for wanting to serve on the Council.

Charles McHenry, Yucca Valley, spoke in opposition to appointing another Council Member expressing concern regarding an inexperienced Council.

Curt Duffy, Yucca Valley, advised of his qualifications for appointment.

Ramon Mendoza, Yucca Valley, encouraged Council not to select a replacement, commented regarding hiring a consultant from out of the area to update the General Plan.

Roger Johnson, Yucca Valley, commented regarding his qualifications for appointment.

Margo Sturges, Yucca Valley, commented regarding the need for diversity on the Council.

Mayor Huntington commented at the last meeting Council consensus was to appoint a member. He advised of the process used to fill the last vacancy.

Council Member Abel suggested interviewing the applicants who were not interviewed in the last round plus the three new applicants, with the possibility of voting for any of the 9 for the seat on the Council.

Council Member Hagerman advised he is ok with that suggestion commenting he still remembers the first 5 interviews.

Council Member Rowe disagreed stating that sometimes in interviews you forget to say something or afterward you think of something you should have said, so she would like to have as many interviews as possible.

Council Member Abel stated he would still like to be able to select from any of the 9 applicants, whether or not they receive an interview in the next round.

Town Manager Nuaimi advised the Council has been provided with ballots listing the names of each candidates, noting during the last round it required that a candidate receive 3 yes votes from the Council to be interviewed.

Mayor Huntington polled the Council who selected Michal Alaniz, David Cooper, Jeff Drozd, Roger Johnson, Robert Lombardo, and Andrew Mueller for interviews.

Upon discussion Council agreed to call a Special Meeting on Monday, July 25th at 6:00 p.m. to interview candidates and make an appointment.

PUBLIC COMMENTS

Curtis Blankenship, Twentynine Palms, presented information regarding an energy upgrade program for low income home owners.

STAFF REPORTS AND COMMENTS

Town Manager Nuaimi advised of the process to gather Requests for Proposals for the General Plan Update, noting if there was a firm in Town interested in and capable of performing the update, they could have submitted a proposal themselves. He noted experts are required to perform the many studies mandated by the State.

MAYOR AND COUNCIL MEMBER REPORTS AND COMMENTS

2. Council Member Abel

Thanked all those who have applied for the Town Council position. He noted the Council is also concerned regarding the lack of experience, but most of us have been very involved with the Town, maybe since it began, and promised to step up and try to fill any voice occurring over the last couple of months. He also looks forward to having the 5th person to help fill the regional committees individual Council Members sit on.

3. Council Member Hagerman

Thanked everyone for applying

Expressed condolences to the Burke family.

Advised he will be in Bishop on Friday for a Desert Mountain Division of the League of California Cities meeting.

4. Mayor Pro Tem Rowe

Thanked all who applied for the Council position.

5. Mayor Huntington

Stated that going through applications, there is a great bit of talent in the community.

Noted the passing of David Zamora, Colton Mayor who passed away last week.

ANNOUNCEMENTS

Special Meeting, Monday, July 25, 2011, 6:00 p.m.

Next Regular Town Council Meeting, Tuesday, August 2, 2011, 6:00 p.m.

CLOSING ANNOUNCEMENTS

Mayor Huntington commented regarding the passing of Bob Burke who came to the basin in 1982 to work as the Field Representative for newly elected San Bernardino County 1st district Supervisor John Joyner. Bob dedicated himself to making the Morongo Basin a better place to live and will be dearly missed.

ADJOURNMENT

There being no further business, Mayor Huntington adjourned the meeting at 6:40 p.m. in memory of Robert "Bob" Burke.

DISCUSSION ITEMS

1. Town Council – Interviews and Appointment

Interview Michal Alaniz, David Cooper, Jeff Drozd, Roger Johnson, Dr. Robert Lombardo, and Andrew Mueller

Cary Harwin, Yucca Valley, spoke in favor of choosing someone with a financial background.

Scott McCone, Yucca Valley, spoke in support of Jeff Drozd.

Charles McHenry, Yucca Valley, commented the Council is not hearing from or listening to the people of Yucca Valley by appointing Lori Herbel or holding a special election.

Mayor Huntington reviewed the process advising that before tonight's meeting each candidate drew names to see who would go first. Candidates will be interviewed in the following order: Michal Alaniz, David Cooper, Robert Lombardo, Andrew Mueller, Roger Johnson, and Jeff Drozd.

After the interviews were held, Mayor Huntington thanked all the applicants noting that council has a tough decision to make.

Council Member Abel expressed appreciation to everyone for applying. He commended Michal Alaniz for her ideas regarding blue ribbon committees; David Cooper for his light handed comments, accounting background and long track record; Robert Lombardo for his open mindedness; Andy Mueller for his comments on smart growth; Roger Johnson for being a great listener, his Mayoral experience, also agreed the homeless issue has not been addressed and needs to be looked into; and Jeff Drozd

for his involvement in the community. Stated his hope is that the candidates not selected would run for office in the future or become involved in Town Committees.

Council Member Hagerman commented he is not sure if it is worse to campaign for the job or interview, noting the good part regarding the process is meeting new people who love the town as he does. Any of the candidates could run a campaign and win.

Council Member Rowe recommended all the candidates either run for office or get involved in any area of our community.

Mayor Huntington thanked all the candidates who applied noting is a great group and he hopes all of them will participate in the election in 2012. He feels this is a great opportunity to fill the position with someone with the skills to add to Council, with a strong financial background, familiar with the General Plan and Development Code and able to balance environmental issues.

Mayor Huntington distributed ballots which received two votes for David Cooper, one for Robert Lombardo and one for Jeff Drozd.

Council Member Abel advised he is looking for someone who can help fill some of the void lost when the two previous Council Members stepped down.

Council Member Rowe advised she voted for Jeff Drozd for what he brings to the table, and noted her second choice is Robert Lombardo.

Mayor Huntington advised he did not vote for Robert Lombardo because he didn't want to deplete the Planning Commission of a senior member.

Council Member Hagerman advised he voted for Robert Lombardo, noting his community involvement.

Mayor Huntington advised that David Cooper served on the Planning Commission, noting he does his homework, comes to meetings prepared and bring a well thought out diverse opinion to the table. He noted that Jeff Drozd was his second choice.

Council Member Rowe commented regarding Robert Lombardo's familiarity with the General Plan and Development Code.

Council Member Abel agreed with Mr. Drozd and Lombardo's attributes, but noted that he is concerned with the financial issues and wants someone who does have a financial background who will fill the void for the next term and then let the voters decide at that point. He noted his 2 choice would have been Robert Lombardo.

Upon casting the second votes the results were two each for David Cooper and Robert Lombardo.

Council Member Hagerman requested the ability to ask more questions of the two finalists. Council agreed.

Upon further questioning, and private discussions between Candidates Cooper and Lombardo, Candidate Cooper removed himself from consideration.

Council Member Hagerman moved to appoint Robert Lombardo to the Council. Council Member Abel seconded. Motion carried 4-0 on a voice vote.

PUBLIC COMMENTS

None

Council Member Rowe thanked David Cooper for stepping aside and welcomed Robert Lombardo to the Council.

Subject: Appointment of Voting Delegate and Alternates at the League of California Cities Annual Conference

Prior Council Review: None

Recommendation: Designate Mayor Huntington as the Voting Delegate, and Council Member Rowe as the alternate for the business meeting of the League of California Cities Annual Conference

Summary: One very important aspect of the Annual Conference is the annual business meeting where the membership takes action on conference resolutions. Annual conference resolutions guide cities and the League in our efforts to improve the quality, responsiveness and validity of local government in California.

Order of Procedure:

Department Report

- Request Staff Report
- Request Public Comment
- Council Questions of Staff
- Council Discussion
- Motion/Second
- Discussion on Motion
- Call the Question (Roll Call vote)

Discussion: The League of California Cities Annual Conference will be held September 21-23, 2011 in San Francisco, with the business meeting to be held on Friday, September 23, 2010 at 2:30 p.m. at the Moscone West Convention Center. Each city is asked to formally designate a member as the voting delegate and up to two members as alternates. During the annual business meeting when the policies of the League of California Cities are adopted, the designee shall be authorized to cast votes on behalf of the Town. Only persons so designated are allowed to vote. Traditionally, the Mayor casts the ballot, with the Mayor Pro Tem and another Council Member appointed as alternates in the event it is not convenient for the Mayor to vote for any reason.

Council Action Advised by August 26, 2011

June 9, 2011

TO: Mayors, City Managers and City Clerks

**RE: DESIGNATION OF VOTING DELEGATES AND ALTERNATES
League of California Cities Annual Conference – September 21–23, San Francisco**

The League's 2011 Annual Conference is scheduled for September 21-23 in San Francisco. An important part of the Annual Conference is the Annual Business Meeting (*at the closing General Assembly*), scheduled for 2:30 p.m., Friday, September 23, at the San Francisco Moscone West Convention Center. At this meeting, the League membership considers and takes action on resolutions that establish League policy.

In order to vote at the Annual Business Meeting, your city council must designate a voting delegate. Your city may also appoint up to two alternate voting delegates, one of whom may vote in the event that the designated voting delegate is unable to serve in that capacity.

Please complete the attached Voting Delegate form and return it to the League's office no later than Friday, August 26, 2011. This will allow us time to establish voting delegate/alternates' records prior to the conference.

Please note the following procedures that are intended to ensure the integrity of the voting process at the Annual Business Meeting.

- **Action by Council Required.** Consistent with League bylaws, a city's voting delegate and up to two alternates must be designated by the city council. When completing the attached Voting Delegate form, please attach either a copy of the council resolution that reflects the council action taken, or have your city clerk or mayor sign the form affirming that the names provided are those selected by the city council. Please note that designating the voting delegate and alternates **must** be done by city council action and cannot be accomplished by individual action of the mayor or city manager alone.
- **Conference Registration Required.** The voting delegate and alternates must be registered to attend the conference. They need not register for the entire conference; they may register for Friday only. To register for the conference, please go to our website: www.cacities.org. In order to cast a vote, at least one person must be present at the Business Meeting and in possession of the voting delegate card. Voting delegates and alternates need to pick up their conference badges before signing in and picking up

-more-

the voting delegate card at the Voting Delegate Desk. This will enable them to receive the special sticker on their name badges that will admit them into the voting area during the Business Meeting.

- **Transferring Voting Card to Non-Designated Individuals Not Allowed.** The voting delegate card may be transferred freely between the voting delegate and alternates, but *only* between the voting delegate and alternates. If the voting delegate and alternates find themselves unable to attend the Business Meeting, they may *not* transfer the voting card to another city official.
- **Seating Protocol during General Assembly.** At the Business Meeting, individuals with the voting card will sit in a separate area. Admission to this area will be limited to those individuals with a special sticker on their name badge identifying them as a voting delegate or alternate. If the voting delegate and alternates wish to sit together, they must sign in at the Voting Delegate Desk and obtain the special sticker on their badges.

The Voting Delegate Desk, located in the conference registration area of the San Francisco Moscone West Convention Center, will be open at the following times: Wednesday, September 21, 8:30 a.m. – 6:00 p.m.; Thursday, September 22, 7:30 a.m. – 4:00 p.m.; and September 23, 7:30–10:00 a.m. The Voting Delegate Desk will also be open at the Business Meeting on Friday, but not during a roll call vote, should one be undertaken.

The voting procedures that will be used at the conference are attached to this memo. Please share these procedures and this memo with your council and especially with the individuals that your council designates as your city’s voting delegate and alternates.

Once again, thank you for completing the voting delegate and alternate form and returning it to the League office by Friday, August 26th. If you have questions, please call Mary McCullough at (916) 658-8247.

Annual Conference Voting Procedures 2011 Annual Conference

1. **One City One Vote.** Each member city has a right to cast one vote on matters pertaining to League policy.
2. **Designating a City Voting Representative.** Prior to the Annual Conference, each city council may designate a voting delegate and up to two alternates; these individuals are identified on the Voting Delegate Form provided to the League Credentials Committee.
3. **Registering with the Credentials Committee.** The voting delegate, or alternates, may pick up the city's voting card at the Voting Delegate Desk in the conference registration area. Voting delegates and alternates must sign in at the Voting Delegate Desk. Here they will receive a special sticker on their name badge and thus be admitted to the voting area at the Business Meeting.
4. **Signing Initiated Resolution Petitions.** Only those individuals who are voting delegates (or alternates), and who have picked up their city's voting card by providing a signature to the Credentials Committee at the Voting Delegate Desk, may sign petitions to initiate a resolution.
5. **Voting.** To cast the city's vote, a city official must have in his or her possession the city's voting card and be registered with the Credentials Committee. The voting card may be transferred freely between the voting delegate and alternates, but may not be transferred to another city official who is neither a voting delegate or alternate.
6. **Voting Area at Business Meeting.** At the Business Meeting, individuals with a voting card will sit in a designated area. Admission will be limited to those individuals with a special sticker on their name badge identifying them as a voting delegate or alternate.
7. **Resolving Disputes.** In case of dispute, the Credentials Committee will determine the validity of signatures on petitioned resolutions and the right of a city official to vote at the Business Meeting.

Discussion: In March 2005, the Town of Yucca Valley completed a request for proposal (RFP) process from qualified firms to provide professional network maintenance and computer services. The Town received three responses and selected SouthWest Networks, Inc. of Palm Springs to provide network support services through a one-year contract terminating August 11, 2006. The contract was subsequently renewed through August 13, 2011.

Over the past year, support provided through SouthWest Networks, Inc., has been professional, competent, timely and responsive to all of the Town’s needs at a reasonable cost. Accordingly, the staff recommendation is to retain SouthWest Networks, Inc., as the Town’s provider of network support services through authorization of the attached professional services agreement.

Staff has worked with Southwest Networks to continue a negotiated lower hourly contract rate for professional services, resulting in a rate of \$80/hour. The proposed agreement increases the total contract to a not to exceed amount of \$70,000, in line with the Town's annual IT support costs. The remaining terms are consistent with the Town's current agreement, and will run through August 13, 2012.

Term of Contract: *August 14, 2011 – August 13, 2012*
Compensation: *Continues at \$80/hr, not to exceed \$70,000*
Est. Hours Provided: *875 hours annually*
Other Terms : *No changes*

Alternatives: Staff recommends no alternatives at this time. The Council could direct staff to seek a different service provider, or not approve the agreement.

Fiscal impact: The FY 2011-12 Adopted Budget provides \$80,000 in the Information Technology Division line item 001-05-08-7110 & 7410 Professional Services/Computer Maintenance for Network Support Services. The recommended action is accommodated by the current budget.

From: Donnie Miller, Chief of Police
Date: July 28, 2011
For Council Meeting: August 2, 2011

Subject: Purchase of Patrol Vehicle through SLESF Grant Funding

Prior Council Review: None

Recommendation: The Town Council approve the initial three year lease acquisition of a fully equipped four-wheel drive patrol vehicle in the annual amount of \$16,455 from the 2010 Supplemental Law Enforcement Services Fund (SLESF) grant program and encumber the funds as necessary, to assist in providing Front Line Municipal Police Services.

Executive Summary: The Town Police Department has six (6) patrol vehicles. One of these was previously purchased through the Supplemental Law Enforcement Services Fund (SLESF) grant program. This vehicle has reached the end of its fleet service life. The Police Department proposes to purchase a fully equipped four-wheel drive patrol vehicle utilizing available funds from the 2010 SLESF grant program to replace this vehicle.

patrol vehicle is \$53,203 or if leased \$16,455 per year. If leased, the cost will be added to the Schedule A of the contract with the Sheriff's Department and will be amortized over the estimated life of the vehicle (Approx 3 years). The lease option provides for full replacement irrespective of the cause or type of damage. Given the intended off-road use of the vehicle, staff is recommending the lease option. Any fuel and maintenance costs charged to the county will be billed to the town on a quarterly invoice, and are eligible for SLESF grant participation as well.

Alternatives: Purchase verses lease option.

Fiscal impact: The proposed action will is accommodated by the FY 2010 SLESF Special Revenue Fund budget. The cost of the purchase / lease will be borne by the 2010 Supplemental Law Enforcement Services Fund grant program.

From: Curtis Yakimow, Director of Administrative Services
Date: July 25, 2011
For Council Meeting: August 2, 2011

Subject: AB1234 Reporting Requirements

Prior Council Review: Current reimbursement policy for Council members and Redevelopment Agency members reviewed and approved by Council August 2006.

Recommendation: Receive and file the AB1234 Reporting Requirement Schedule for the month of June 2011.

Order of Procedure:

- Request Staff Report
- Request Public Comment
- Council Discussion / Questions of Staff
- Motion/Second
- Discussion on Motion
- Roll Call Vote

Discussion: AB1234 requires members of a legislative body to report on "meetings" attended at public expense at the next meeting of the legislative body. "Meetings" for purpose of this section are tied to the Brown Act meaning of the term: *any congregation of a majority of the members of a legislative body at the same time and place to hear, discuss, or deliberate upon any item that is within the subject matter jurisdiction of the legislative body or the local agency to which it pertains.* Qualifying expenses include reimbursement to the member related to meals, lodging, and travel.

An example of when a report is required is when a Town Council member represents his or her agency on a joint powers agency board and the Town pays for the official's expenses in serving in that representative capacity. Additionally, in the spirit of AB1234, the Yucca Valley Town Council also reports all travel related to conference and training attended at public expense.

Although the AB1234 report can be either written or oral, this report must be made at the next meeting of the legislative body that paid for its member to attend the meeting.

**SUBJECT: ENDORSEMENT OF INLAND EMPIRE REGIONAL BROADBAND
CONSORTIUM**

This letter is an endorsement of the Inland Empire Regional Broadband (IERB) Consortium and Grant Application to the California Advanced Services Fund (CASF) Rural and Urban Regional Broadband Consortia Grant Account through the California Public Utilities Commission (CPUC) as provided in Senate Bill (SB) 1040.

The Inland Empire is home to over 4 million people in Riverside and San Bernardino Counties, with highly urbanized, suburban, mountain, desert and rural areas. Access to broadband is important for this vast, diverse region. The IERB Consortium will lead the region by working with its partners, stakeholders, community-based groups, schools, hospitals, libraries, businesses, consumers, and technology experts to implement a Regional Broadband Action and Work Plan to advance and meet the region's strategic broadband priorities.

SB 1040 created the Rural and Urban Regional Broadband Consortia Grant Account to address unmet needs and fund the cost of broadband deployment outside of capital facility costs, which include planning, outreach and policy activities. We understand that the primary role of the CSAF Consortia Grant Account program is to help bridge the "digital divide" and support the deployment of broadband which holds opportunities for consumers, and is important to technology advancement and the continued health and economic development in California.

IERB Consortium activities and programs will offer the potential to promote greater broadband access within areas of the Inland Empire that are both underserved, or not served at all, consistent with the goals of bridging the "digital divide." The IERB Consortium is an exceptional public-private partnership which includes organizations from both San Bernardino and Riverside Counties experienced in addressing improvements needed for the region's growth, technological advancements, and quality of life.

For example, IERB Consortium partner SmartRiverside has delivered on its strategic plan since 2006 to establish public access WiFi in Riverside, attract high tech businesses, and has already provided over 4,500 low income families with computers, training and free internet access. The San Bernardino Economic Development Agency, among other technology projects, is preparing to provide WiFi on the sbX rapid bus planned to serve the region by 2014 from Cal State University San Bernardino to Loma Linda University Medical Center. The Alliance for Commercialization of Technology (ACT) is a non-profit coalition for technology entrepreneurship and has helped accelerate more than 50 new enterprises. ACT provides start-up technology ventures with basic and advanced business and technology assistance to advance their commercialization of innovative products and services.

The IERB Consortium has a regional focus that makes them the ideal choice to serve as the Regional Broadband Consortium for the Inland Empire.

Sincerely,

GEORGE HUNTINGTON
Mayor

DRAFT

INLAND EMPIRE REGIONAL BROADBAND CONSORTIUM

A regional broadband consortium for San Bernardino and Riverside Counties

FACT SHEET

Background

- Infrastructure gaps are present in all regions of California, including areas within the Inland Empire (San Bernardino and Riverside Counties), especially related to socio-economic, age, and cultural factors, as well as rural, high unemployment and developing areas, resulting in a persistent "Digital Divide"
- Closing these gaps requires a systematic and strategic approach to broadband access and investment that a multi-stakeholder collaborative and regional-scale approach can provide.
- SB 1040 was signed into law September 25, 2010 to address the "Digital Divide" in California, and is administered by the California Public Utilities Commission (CPUC).

About SB 1040

SB 1040 expands the CPUC California Advanced Services Fund (CASF) by creating the *Rural and Urban Regional Broadband Consortia Grant Account*, which provides funds to support one regional consortium per geographic region to support broadband deployment efforts. CASF grant funds are now available.

Inland Empire Region

The Inland Empire Regional Broadband (IERB) Consortium is a group of stakeholders spearheaded by the San Bernardino Economic Development Agency, SmartRiverside and the Alliance for Commercialization of Technology, with a strong interest and commitment in coordinating strategic regional efforts to improve broadband infrastructure and access in the Inland Empire.

The IERB Consortium is now preparing the CASF Grant Application to serve the Inland Empire region. If the CPUC approves the IERB Consortium grant, the Inland Empire will be better suited for future funding phases, which include CPUC's infrastructure fund and revolving loan fund for capital broadband-related infrastructure projects.

Your Support is needed! Please take action.

The CPUC grant requires broad and diverse public-private support through consortium membership and endorsement letters. A variety of support is needed from cities, public agencies, community-based groups, healthcare groups/hospitals, libraries, businesses, technology providers and others. You can support the effort in the following two ways:

1. **Become a Member of the IERB Consortium and provide an Endorsement Letter.** You are invited to join the IERB Consortium as a Member. Membership is free. What is required is that you provide your organization's information, including a Grant Certification Form and an Endorsement Letter for the Grant Application. A draft Endorsement Letter, and a Consortium Member Information/Certification Form is attached to assist you in becoming an IERB Consortium Member.

Once the grant is awarded, you will participate on a regular basis, over a three-year period, in a regional coalition building effort, including assistance at workshops and forums, as well as be actively involved in policy decisions supporting broadband deployment efforts in the Inland Empire.

2. **Provide an Endorsement Letter for the IERB Consortium.** Your endorsement is important, as a broadband supporter in the Inland Empire Region. Once the grant is awarded, you will receive regular information about the IERB Consortium activities, and will be encouraged to participate at various levels, providing input and expertise as part of the consortium's broadband policy and action plan. A draft Endorsement Letter is attached to assist you in offering support.

In order to meet the grant deadline, please return the IERB Consortium Member Information and Certification Form, and/or Endorsement Letter by Friday, August 5, 2011 to Martha van Rooijen, IERB Grant Coordinator, at martha@mvrconsulting.com, or call (951) 845-4391.

Senate Bill No. 1040

CHAPTER 317

An act to amend Section 281 of the Public Utilities Code, relating to telecommunications, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor September 25, 2010. Filed with Secretary of State September 27, 2010.]

LEGISLATIVE COUNSEL'S DIGEST

SB 1040, Padilla. Telecommunications universal service programs: California Advanced Services Fund.

The existing federal Telecommunications Act of 1996 establishes a program for the regulation of telecommunications to attain the goal of local competition, while implementing specific, predictable, and sufficient federal and state mechanisms to preserve and advance universal service, consistent with certain universal service principles. The universal service principles include the principle that consumers in all regions of the nation, including low-income consumers and those in rural, insular, and high-cost areas, should have access to telecommunications and information services, including interexchange services and advanced telecommunications and information services, that are reasonably comparable to those services provided in urban areas and that are available at rates that are reasonably comparable to rates charged for similar services in urban areas.

Under existing law, the Public Utilities Commission has regulatory authority over public utilities, including telephone corporations, as defined. Existing law, until January 1, 2013, establishes the California Advanced Services Fund (CASF) in the State Treasury, and requires a surcharge, which is imposed by the commission and collected through retail telecommunications customers' bills, to be deposited in that fund. Existing law prohibits the commission from collecting more than \$100,000,000 through the surcharge. Existing law requires the commission to develop, implement, and administer the CASF to provide for transfer payments to encourage deployment of high-quality advanced communications services to all Californians that will promote economic growth, job creation, and substantial social benefits of advanced information and communications technologies, as provided in a specified decision of the commission. Existing law requires the commission to conduct both a financial audit and a performance audit on the implementation and effectiveness of CASF and to report its findings to the Legislature by December 31, 2010.

This bill would extend the operation of these provisions indefinitely, and would prohibit the commission from collecting more than \$225,000,000 through the CASF surcharge pursuant to a specified schedule. The bill would

establish 3 accounts within the fund and allocate a portion of the additional \$125,000,000 that the bill authorizes to be collected, to be deposited into each of the accounts, for specified uses. The bill would require the commission to conduct an interim and final financial audit and interim and final performance audit on the implementation and effectiveness of CASF and to report to the Legislature its interim findings by April 1, 2011, and its final findings by April 1, 2017. The bill would require the commission to annually provide a report to the Legislature, until January 1, 2016, relating to the CASF and containing specified information.

This bill would declare that it is to take effect immediately as an urgency statute.

The people of the State of California do enact as follows:

SECTION 1. Section 281 of the Public Utilities Code is amended to read:

281. (a) The commission shall develop, implement, and administer the California Advanced Services Fund to encourage deployment of high-quality advanced communications services to all Californians that will promote economic growth, job creation, and the substantial social benefits of advanced information and communications technologies, as provided in Decision 07-12-054 and Decision 09-07-020 and this section. The commission shall establish the following accounts within the fund:

- (1) The Broadband Infrastructure Grant Account.
- (2) The Rural and Urban Regional Broadband Consortia Grant Account.
- (3) The Broadband Infrastructure Revolving Loan Account.

(b) (1) All moneys collected by the surcharge authorized by the commission pursuant to Decision 07-12-054, whether collected before or after January 1, 2009, shall be transmitted to the commission pursuant to a schedule established by the commission. The commission shall transfer the moneys received to the Controller for deposit in the California Advanced Services Fund. Moneys collected after January 1, 2011, shall be deposited in the following amounts in the following accounts:

- (A) One hundred million dollars (\$100,000,000) into the Broadband Infrastructure Grant Account.
- (B) Ten million dollars (\$10,000,000) into the Rural and Urban Regional Broadband Consortia Grant Account.
- (C) Fifteen million dollars (\$15,000,000) into the Broadband Infrastructure Revolving Loan Account.

(2) All interest earned on moneys in the fund shall be deposited in the fund.

(3) The commission shall not collect moneys, by imposing the surcharge described in paragraph (1) for deposit in the fund, in an amount that exceeds one hundred million dollars (\$100,000,000) before January 1, 2011. After January 1, 2011, the commission may collect an additional sum not to exceed one hundred twenty-five million dollars (\$125,000,000), for a sum total of

moneys collected by imposing the surcharge described in paragraph (1) not to exceed two hundred twenty-five million dollars (\$225,000,000). The commission may collect the additional sum beginning with the calendar year starting on January 1, 2011, and continuing through the 2015 calendar year, in an amount not to exceed twenty-five million dollars (\$25,000,000) per year, unless the commission determines that collecting a higher amount in any year will not result in an increase in the total amount of all surcharges collected from telephone customers that year.

(c) (1) All moneys in the California Advanced Services Fund shall be available, upon appropriation by the Legislature, to the commission for the program administered by the commission pursuant to this section, including the costs incurred by the commission in developing, implementing, and administering the program and the fund.

(2) Notwithstanding any other law and for the sole purpose of providing matching funds pursuant to the federal American Recovery and Reinvestment Act of 2009 (Public Law 111-5), any entity eligible for funding pursuant to that act shall be eligible to apply to participate in the program administered by the commission pursuant to this section, if that entity otherwise satisfies the eligibility requirements under that program. Nothing in this section shall impede the ability of an incumbent local exchange carrier, as defined by subsection (h) of Section 251 of Title 47 of the United States Code, that is regulated under a rate of return regulatory structure, to recover, in rate base, California infrastructure investment not provided through federal or state grant funds for facilities that provide broadband service and California intrastate voice service.

(d) Moneys in the Rural and Urban Regional Broadband Consortia Grant Account shall be available for grants to eligible consortia to fund the cost of broadband deployment activities other than the capital cost of facilities, as specified by the commission. An eligible consortium may include, as specified by the commission, representatives of organizations, including, but not limited to, local and regional government, public safety, K-12 education, health care, libraries, higher education, community-based organizations, tourism, parks and recreation, agricultural, and business, and is not required to have as its lead fiscal agent an entity with a certificate of public convenience and necessity.

(e) Moneys in the Broadband Infrastructure Revolving Loan Account shall be available to finance capital costs of broadband facilities not funded by a grant from the Broadband Infrastructure Grant Account. The commission shall periodically set interest rates on the loans based on surveys of existing financial markets.

(f) (1) The commission shall conduct an interim and final financial audit and an interim and final performance audit of the implementation and effectiveness of the California Advanced Services Fund to ensure that funds have been expended in accordance with the approved terms of the grant awards and loan agreements and this section. The commission shall report its interim findings to the Legislature by April 1, 2011. The commission shall report its final findings to the Legislature by April 1, 2017. The reports

shall also include an update to the maps in the final report of the California Broadband Task Force and data on the types and numbers of jobs created as a result of the program administered by the commission pursuant to this section.

(2) (A) The requirement for submitting a report imposed under paragraph (1) is inoperative on January 1, 2018, pursuant to Section 10231.5 of the Government Code.

(B) A report to be submitted pursuant to paragraph (1) shall be submitted in compliance with Section 9795 of the Government Code.

(g) (1) Beginning on January 1, 2012, and annually thereafter, the commission shall provide a report to the Legislature that includes all of the following information:

(A) The amount of funds expended from the California Advanced Services Fund in the prior year.

(B) The recipients of funds expended from the California Advanced Services Fund in the prior year.

(C) The geographic regions of the state affected by funds expended from the California Advanced Services Fund in the prior year.

(D) The expected benefits to be derived from the funds expended from the California Advanced Services Fund in the prior year.

(E) Actual broadband adoption levels from the funds expended from the California Advanced Services Fund in the prior year.

(F) The amount of funds expended from the California Advanced Services Fund used to match federal funds.

(G) An update on the expenditures from California Advanced Services Fund and broadband adoption levels, and an accounting of remaining unserved and underserved areas of the state.

(2) (A) The requirement for submitting a report imposed under paragraph (1) is inoperative on January 1, 2016, pursuant to Section 10231.5 of the Government Code.

(B) A report to be submitted pursuant to paragraph (1) shall be submitted in compliance with Section 9795 of the Government Code.

SEC. 2. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

Numerous grant applications with merit have been filed seeking funding through the California Advanced Services Fund, many of these applications also seeking funding through the federal American Recovery and Reinvestment Act of 2009 (Public Law 111-5), and these grant applications threaten to exceed the existing financial limits of the fund. In order to relieve financial pressure on the fund, enable meritorious projects to go forward, and to prevent a potential disruptive effect on the grant process, it is necessary that this act take effect immediately.

TOWN COUNCIL STAFF REPORT

To: Honorable Mayor and Town Council
From: Duane Gasaway, Consulting Project Manager
Date: July 27, 2011
For Council Meeting: August 2, 2011

Subject: Formation of Community Facilities District No. 11-1
Warren Vista Shopping Center; CUP-01-08/Parcel Map 19103
Resolution(s) No.
Ordinance No.

Prior Council Review: On June 7, 2011, the Town Council adopted a Resolution approving the goals and policies for the formation of Community Facilities Districts Pursuant to the Mello-Roos Community Facilities Act of 1982. On June 7, 2011 the Town Council also approved a Resolution declaring the intent to establish Community Facilities District No. 11-1. The formation of a district for the future maintenance landscape, lighting, streets, drainage facilities and other infrastructure is a condition of approval for CUP-01-08 and tentative parcel map 19103.

Recommendation: That the Town Council adopts the Resolutions for Community Facilities District No. 11-1 as follows, and introduces the Ordinance:

1. Resolution for the formation of the District, authorizing levy of special tax within the District, preliminarily establishing an appropriation limit for the District, and submitting the levy of the special tax to the qualified electors within the District.
2. Resolution setting a date for election approving the levy of the special tax within the District and setting an appropriation limit.
3. Resolution declaring the results of the election and directing the recording of the notice of special tax lien.
4. An ordinance of the Town Council of the Town of Yucca Valley, California, authorizing the levy of a special tax within community facilities district no. 11-1

Executive Summary: The Town has formed Landscape and Lighting Maintenance Districts and Street and Drainage (Benefit) Assessment Districts as a condition of subdivision development projects to pay the costs of infrastructure maintenance created by new development. The formation of a Community Facilities District (CFD) is an alternative method of creating a district which provides for the future maintenance of public infrastructure.

The previous nine (9) districts formed by the Town for maintenance of lighting/landscaping and street/drainage utilized the assessment district approach.

However, the assessment district approach requires that the portion of traffic and storm drainage waters directly attributable to the development project be identified. The nature of CUP-01-08/Parcel Map 19103 is such that traffic and storm drainage waters directly attributable to the project cannot be sufficiently identified to meet the legal requirements of an assessment district.

The CFD is a more flexible approach that allows the Town to recover 100% of the maintenance costs created by the new infrastructure constructed as part of the development project.

Order of Procedure: Request Staff Report

- Open Public Hearing
- Request Public Comment
- Close Public Hearing
- Council Discussion/ Council Questions of Staff
- Motion/Second
- Discussion on Motion
- Call the Question (Roll Call Vote)

Discussion: Subdivision development projects are approved subject to conditions of approval that require the formation of maintenance districts. These districts apply an annual fee upon properties within the District which provides the revenue to offset the cost of maintenance of the public improvements necessary to serve the development.

The public facilities and services proposed to be financed by the District include the following:

1. Maintenance of storm drainage, storm water management, and drainage system facilities;
2. Maintenance of all public pedestrian or bicycle pathways;
3. Maintenance of landscaping, including median landscaping, irrigation and appurtenant facilities;
4. Public lighting and appurtenant facilities, including street lights and traffic signals;
5. Maintenance of public streets, including pavement, traffic control devices, landscaping and other public improvements installed within the public right-of-way;
6. Town and County costs associated with the setting, levying and collection of the special tax, and in the administration of the District including the contract administration.

The CFD is formed pursuant to the provisions of California Government Code Section

53311 et seq., which provides the authority for the levy of a special tax upon property within the District for purposes of maintenance of public improvements. In order to form the District, the Town must adopt a series of five (5) statutorily required Resolutions which are summarized below with an anticipated schedule. The first two Resolutions were adopted by the Town Council at their meeting of June 7, 2011.

The three remaining Resolutions recommended for Town Council consideration are as follows.

- Resolution for the formation of the District, authorizing levy of special tax within the District, preliminarily establishing an appropriation limit for the District, and submitting the levy of the special tax to the qualified electors within the District;
- Resolution setting a date for election approving the levy of the special tax within the District and setting an appropriation limit;
- Resolution declaring the results of the election and directing the recording of the notice of special tax lien.

The maximum annual special tax per parcel for the parcels that comprise TM 19103 and the Warren Vista Shopping Center are listed below:

Parcel 1:	1.74 acres x \$873.81 =	\$1,520.429
Parcel 2:	0.83 acres x \$873.81 =	725.262
Parcel 3:	1.11 acres x \$873.81 =	969.929
Parcel 4:	1.99 acres x \$873.81 =	1,738.881
Parcel 5:	2.13 acres x \$873.81 =	<u>\$1,861.215</u>
		\$6,815.72

If the Maximum Allowable Annual Fee were levied, the revenues would be allocated to areas of maintenance as follow:

\$1,826.00	Maintenance of public streets, including pavement and related improvements within the public right of way.
2,291.00	Maintenance of storm drainage, storm water management, and drainage system facilities.
<u>2,698.00</u>	Maintenance of landscaping, including median landscaping and appurtenant facilities.
\$6,815.00	

Alternatives: No alternatives are recommended.

Fiscal impact: The Community Facilities District will generate the revenue to offset the cost of maintenance of public improvements to serve the development project.

RESOLUTION NO. 11-

**A RESOLUTION OF THE TOWN COUNCIL OF THE
TOWN OF YUCCA VALLEY FOR THE FORMATION OF
COMMUNITY FACILITIES DISTRICT NO. 11-1,
AUTHORIZING THE LEVY OF A SPECIAL TAX WITHIN
THE DISTRICT, PRELIMINARILY ESTABLISHING AN
APPROPRIATION LIMIT FOR THE DISTRICT, AND
SUBMITTING THE LEVY OF THE SPECIAL TAX TO THE
QUALIFIED ELECTORS OF THE DISTRICT**

WHEREAS, on June 7, 2011 the Town Council adopted Resolution No. 11-23, entitled “Resolution of the Town Council of the Town of Yucca Valley Declaring Its Intention to Establish Community Facilities District No. 11-1” stating its intent to form a community facilities district under the Mello-Roos Act and to levy a special tax on all property within the district for legally-permitted facilities and services, and directed staff to implement the Act’s requirements for formation of said district;

WHEREAS, the Resolution of Intention included a map of the proposed boundaries of the District, stated the services to be financed, and the rate and method of apportionment of the special tax to be levied within the District to pay the costs, is on file with the Town Clerk, and the provisions thereof are incorporated herein by the reference as if fully set forth, and

WHEREAS, on August 2, 2011, the Town Council held a public hearing on the regarding the formation of Community Facilities District No. 11-1, and accepted written and documentary testimony and evidence relating thereto; and

WHEREAS, the Town Council now wishes to establish the community facilities district as provided herein, and all protests against formation of the proposed district are insufficient to prevent formation.

NOW, THEREFORE, BE IT RESOLVED by the Council of the Town of Yucca Valley as follows:

SECTION 1. The Town Council hereby affirms the accuracy of the foregoing recitals.

SECTION 2. Pursuant to the Mello-Roos Community Facilities Act of 1982 (Government Code § 53311, *et seq.*), the Town Council has declared its intent to establish a community facilities district. Pursuant to Section 53321 of the California Government Code, the Town Council hereby determines the following:

- A. The proposed district shall be formed pursuant to the Mello-Roos Community Facilities Act of 1982 set forth in California Government Code Title 5, Division 2, Part 1, Chapter 2.5;
- B. The Town Council accepts the “Special Tax Report for the Town of Yucca Valley Community Facilities District No. 11-1”.

- C. The proposed special tax to be levied within CFD No. 11-1 has not been precluded by majority protest pursuant to Section 53324 of the Act.
- D. The community facilities district designated “Town of Yucca Valley Community Facilities District No. 11-1” is hereby established pursuant to the Act.
- E. The boundaries of the District, as set forth in the map of CFD No. 11-1 shall correspond with the boundaries indicated on the map attached hereto as “Exhibit A” as recorded in the San Bernardino County Recorder’s Office in Book ____ and Page ____ of Map of Assessment and Community Facilities Districts.
- F. The name for the proposed district is “Community Facilities District No. 11-1”;
- G. The public services to be financed by the District shall consist of those items described in the Resolution of Intention and by this reference incorporated herein.
- H. Except where funds are otherwise available, a special tax sufficient to pay for all services, secured by recordation of a continuing lien against all nonexempt real property in the District, will be levied annually within CFD No. 11-1, and collected in the same manner as ordinary ad valorem property taxes, or in such other manner as the town Council shall direct. The proposed rate and method of apportionment of the special tax among parcels of real property within the District in sufficient detail to allow each landowner within the proposed District to estimate the probable maximum amount such owner will have to pay, are described in Exhibit B attached to the Resolution of Intention and by reference are incorporated herein.
- I. It is hereby found and determined that the Services are necessary to meet the increased demands as the result of development occurring in the District
- J. The Administrative Services Director or his/her designee shall be responsible for preparing annually a current roll of the special tax levy obligation by assessor’s parcel number and which will be responsible for estimating future special tax levies pursuant to Government Code Section 53340.2
- K. Upon recordation of the Notice of Special Tax Lien pursuant to Section 3114.5 of the Street and Highways Code, a continuing lien to secure levy of the special tax shall attach to all nonexempt real property in the District and this lien shall continue in force and effect until the special tax obligation is prepaid and permanently satisfied and the lien is canceled in accordance with law or until collection of the tax by the Town Council ceases.
- L. In accordance with section 53325.7 of the Act, the annual appropriations limit, as defined by subdivision (h) of Section 8 of Article XIII B of the California Constitution, of the District is hereby preliminarily established at \$5,000,000 and said appropriation limits shall be submitted to the voters of the District as hereafter approved. The proposition establishing the annual appropriations limit shall become effective if approved by the qualified electors voting thereon and shall be adjusted in

accordance with the applicable provisions of Section 53325.7 of the Act.

- M. Pursuant to the provisions of the Act, the proposition of the levy of the special tax and the proposition of the establishment of the appropriation limit specified above shall be submitted to the qualified electors of the District and an election, the time, place and condition of which shall be as specified by a separate resolution of the Town Council.

APPROVED AND ADOPTED on this 2nd day of August, 2011.

FINAL CONDITIONS OF APPROVAL
Conditional Use Permit 01-08, Tentative Parcel Map 19103

1. This approval is for Conditional Use Permit 01-08 and Tentative Parcel Map 19103, an application to allow the construction of a 75,846 square feet of commercial space on a 8.81 acre site, in two phases. Phase I will include the Rite Aid drug store, the Fresh and Easy grocery store, and the western portion of Building B, containing approximately 53,381 square feet. Phase II will include Building A, the restaurant, and the eastern portion of Building B, containing a total of approximately 22,465 square feet. The property is identified as Assessor Parcel Number 595-271-26.
2. The Applicant/owner shall agree to defend at his sole expense any action brought against the Town, its agents, officers, or employees, because of the issuance of such approval, or in the alternative, to relinquish such approval, in compliance with the Town of Yucca Valley Development Code. The Applicant shall reimburse the Town, its agents, officers, or employees for any court costs, and attorney's fees which the Town, its agents, officers or employees may be required by a court to pay as a result of such action. The Town may, at its sole discretion, participate at its own expense in the defense of any such action but such participation shall not relieve Applicant of his obligations under this condition.
3. This Conditional Use Permit and Tentative Parcel Map shall become null and void if substantially construction has not been completed, or the map has been recorded, respectively, within two (2) years of the Town of Yucca Valley date of approval. Extensions of time may be granted by the Planning Commission and/or Town Council, in conformance with the Town of Yucca Valley Development Code regulations. The Applicant is responsible for the initiation of an extension request.

Approval date: January 6, 2009
Expiration date: January 6, 2011
4. The Applicant/owner shall ascertain and comply with requirements of all State, County, Town and local agencies as are applicable to the project area. These include, but are not limited to, Environmental Health Services, Transportation/Flood Control, Fire Department, Building and Safety, State Fire Marshal, Caltrans, High Desert Water District, Airport Land Use Commission, California Regional Water Quality Control Board, the Federal Emergency Management Agency, MDAQMD-Mojave Desert Air Quality Management District, Community Development, Engineering, and all other Town Departments.

5. All conditions are continuing conditions. Failure of the Applicant to comply with any or all of said conditions at any time shall result in the revocation of the approval on the property.
6. After final plan check by the Town, original mylars (4 mil) shall be submitted to the Town for signature by the Town Engineer. All original mylars submitted for Town Engineer's signature must contain the design engineer's wet signature and stamp and all other required signatures.
7. The Applicant shall pay all fees charged by the Town as required for processing, plan checking, construction and/or electrical inspection. The fee amounts shall be those which are applicable and in effect at the time the work is undertaken and accomplished. Fees for entitlement prior to construction permits are based on estimated costs for similar projects. Additional fees may be incurred, depending upon the specific project. If additional fees for services are incurred, they must be paid prior to any further processing, consideration, or approval(s).
8. The developer shall reimburse the Town for the Town's costs incurred in monitoring the developer's compliance with the Conditions of Approval including, but not limited to, inspections and review of developer's operations and activities for compliance with all applicable dust and noise operations. This condition of approval is supplemental and in addition to normal building permit and public improvement permits that may be required pursuant to the Yucca Valley Municipal Code.
9. All improvements shall be inspected by the Town's Building and Safety Division, as appropriate. Any work completed without proper inspection may be subject to removal and replacement under proper inspection.
10. Site shall be kept clean at all times. Scrap materials shall be consolidated, and a container must be provided to contain trash that can be carried away by wind during construction.
11. At the time of permit issuance the Applicant shall be responsible for the payment of fees associated with electronic file storage of documents.
12. The Applicant shall pay Development Impact Fees in place at the time of issuance of Building Permits prior to pre-final inspection.
13. A plan identifying all protected plants as well as a Joshua Tree Relocation Plan with any area proposed to be disturbed in accordance with the Town's Native Plant Protection Ordinance shall be submitted for approval prior to issuance of grading permits for the project. A minimum 60 day adoption period before land disturbance in accordance with the grading plan may commence.

14. Prior to the delivery of combustible materials, the following items shall be accepted as complete:
 - a) The water system is functional from the source of water past the lots on which permits are being requested (i.e. All services are installed, valves are functional and accessible, etc.); and
 - b) Fire hydrants are accepted by the Fire Marshal and the Department of Public Works.

- * 15. In conjunction with the preparation of improvement plans, the Applicant shall cause to be formed or shall not protest the formation of a maintenance district(s) for landscape, lighting, streets, drainage facilities or other infrastructure as required by the Town. The Applicant shall initiate the maintenance and benefit assessment district(s) formation by submitting a landowner petition and consent form (provided by the Town of Yucca Valley) and deposit necessary fees concurrent with application for street and grading plan review and approval and said maintenance and benefit assessment district(s) shall be established concurrent with the approval of the final map in the case of subdivision of land, or prior to issuance of any certificate of occupancy where there is no subdivision of land.

16. The Applicant shall form a public safety assessment district on the properties subject to Town Council adoption of a fiscal impact model.

17. Utility undergrounding shall be required for all new service and distribution lines that provide direct service to the property being developed; existing service and distribution lines that are located within the boundaries being developed that provide direct service to the property being developed; existing service and distribution lines between the street frontage property line and the centerline of the adjacent streets of the property that provide direct service to the property being developed; existing Service and Distribution lines located along or within 10 feet of the lot lines of the property that provide direct service to the property being developed; or existing service and distribution lines being relocated as a result of a project.

18. All Mitigation Measures included in Environmental Assessment 06-08 are incorporated into these conditions by reference.

19. In conjunction with the submittal of building plans, a final landscaping and irrigation plan shall be submitted for review and approval. All landscaping shall be on an automated landscaping irrigation system.

20. Landscaping shall be maintained in perpetuity. Any dead plant(s) shall be replaced within 30 days.

21. All roof mounted equipment shall be screened from view from all surrounding streets and property.
22. Reciprocal access and parking easements shall be recorded on all lots within the Parcel Map.
23. A cart corral shall be provided for the Rite Aid parking area, and two cart corrals shall be provided for the Fresh and Easy parking area.
24. The inside westbound lane at the Warren Vista project access, parallel to the RiteAid drive through lanes, shall be converted to a left turn lane into the southern parking lot, if approved by a qualified traffic engineer.
25. The striping of Warren Vista shall include a left turn pocket for northbound traffic at the project entry.
26. The architecture of the Rite Aid building shall be modified to be consistent with the architecture of the Rite Aid recently completed in the City of Banning – it shall include stone veneer, arches and contrasting trim, and similar features on all four sides of the structure.
27. All signage shall comply with the Towns Sign Code, Ordinance 156.
28. All the perimeter landscaping, all retaining walls, and all parking areas and driveways shall be completed prior to the issuance of the first certificate of occupancy.
29. Any area which remains un-built shall be stabilized with either a chemical stabilization agent or a desert wildflower mix. These areas shall also be blocked from vehicular access by bollards or similar decorative means. Chain link fencing shall not be permitted.
30. All retaining walls shall be constructed of decorative block, or similar aesthetically pleasing material. The lower southern boundary wall may be colored concrete block. The southerly two thirds of the western wall, along the Wash, may be colored concrete and wrought iron fencing.
31. Dedicate, or show there exists, sufficient right of way for the “proposed State Route 62 realignment section” per Town standards. This standard requires 67 feet of dedication from centerline of the highway to the right of way. Dedicate, or show there exists, sufficient right of way for a Major Collector street on Warren Vista Avenue per Town of Yucca Valley standard 103. Dedicate, or

- show there exists, sufficient right of way for a Rural Local Road per Town Standards on Alta Vista Drive including required knuckles on the street.
32. Construct curb and gutter and sidewalk 30 feet from centerline on Warren Vista Avenue per Town of Yucca Valley Standard Drawing 103 and 220. Any existing pavement on Warren Vista Avenue shall be removed and replaced to centerline.
 33. Construct curb and gutter and sidewalk on State Route 62 per the Town of Yucca Valley "proposed State Route 62 realignment section". Construct a median curb on State Route 62 per Caltrans standards along the project frontage as required by Caltrans in their letter dated February 13, 2008.
 34. Construct curb and gutter 20 feet from centerline per Town of Yucca Valley Standard Drawing No. 101 on Alta Vista Drive as well as any improvements required for the knuckles. Any existing pavement on Alta Vista Drive shall be removed and replaced to centerline.
 35. Relocate the existing traffic signal at the intersection of State Route 62 and Warren Vista Drive to accommodate the widened highway section.
 36. The project proponent shall contribute his/her fair share to improvements at SR62/SR247, prior to the issuance of a Certificate of Occupancy for the first building of the proposed project.
 37. The Fresh and Easy pad elevation is approximately eight feet above the adjacent highway elevation. If possible this pad should be lowered two to three feet.
 38. A note on the grading plan indicates a 100 foot setback from the Flood Control District east right of way may be required. Prior to submittal of a final grading plan approvals for the site plan from San Bernardino County Flood Control District shall be submitted to the Town.
 39. The applicant shall pay their fair share for all improvements related to the West Burnt Mountain wash as approved by future Town Council Policy or by the Town Manager.
 40. Extend the existing box culvert where West Burnt Mountain Wash crosses under SR 62 such that the ultimate street section for SR 62 can be accommodated. Extend the existing box culvert where West Burnt Mountain Wash crosses under SR 62 to the ultimate southerly side of sidewalk.
 41. Install street lights along the project frontage with SR 62 per Town of Yucca Valley Standard Drawing No. 300.

42. Install street lights at the project entrances on Warren Vista Drive per Town of Yucca Valley Standard Drawing No. 302.
43. The applicant shall pay their fair share for the installation of a traffic sign at Warren Vista and Yucca Trail. The amount shall be determined by a fair share analysis completed by the projects engineer and approved by the Town Engineer.
44. During construction, the Contractor shall be responsible to sweep public paved roads adjacent to the project as necessary and as requested by the Town staff to eliminate any site related dirt and debris within the roadways. During his business activities, the Applicant shall keep the public right-of-way adjacent to his property in a clean and sanitary condition.
45. No staging of construction equipment or parking of worker's vehicles shall be allowed within the public right-of-way.
46. Prior to the issuance of a Grading Permit for the onsite paved areas, a Grading Plan prepared by a recognized professional Civil Engineer shall be submitted, and the corresponding fees shall be paid to the Town prior to any grading activity. The final Grading Plan shall be reviewed and approved by the Engineering Division prior to issuance of grading permits. The applicant/owner is responsible for all fees incurred by the Town. Prior to Certificate of Occupancy, the Engineer-of-Record shall survey and certify that the site grading was completed in substantial conformance with the approved Grading Plans.
47. Prior to the issuance of Permits, the Applicant shall comply with the recommendations of a site-specific Geotechnical and Soils Report which shall be reviewed and subject to Town approval. The report shall include recommendations for any onsite and offsite grading, foundations, compaction, structures, drainage, and existence of fault zones. It shall include recommendations for retention basins, slope stability and erosion control.
48. All recommended approved measures identified in the Soils Report shall be incorporated into the project design.
49. Developer shall comply with NPDES requirements as applicable. The Applicant shall install devices on his property to keep erodible material, rocks, and gravel on the site. To eliminate any site related dirt and debris within the roadways, the Applicant shall be responsible to sweep public paved roads adjacent to the project as necessary and as requested by the Town Staff.
50. The development of the property shall be in conformance with FEMA and the Town's Floodplain Management Ordinance requirements. Adequate provision shall

be made to intercept and conduct the existing tributary drainage flows around or through the site in a manner that will not adversely affect adjacent or downstream properties at the time the site is developed.

51. A retention basin and/or underground storage system shall be constructed and functional prior to the issuance of certificate of occupancy for the any lot within the project. The applicant shall provide on-site retention for the incrementally larger flows caused by development of the site.

A drainage report, prepared by a registered Civil Engineer, shall be prepared to determine the flows exiting the site under current undeveloped conditions compared to the incrementally larger flows due to the development of the site. The retention basin size will be determined, per County of San Bernardino Flood Control methodology such that the post development 100 year peak flow exiting the site shall be 10% less than the current 25 year peak flow from the site.

Basin(s) shall be designed to fully dissipate storm waters within a 72 hour period.

A pre-filtration system shall be installed for all drain lines connected to an underground storage system to collect sediment and hydrocarbon material prior to discharge into the underground system.

The inlets into the existing San Bernardino County Flood Control District facility to the west of the site shall be submitted to the County for approval.

52. Any grading or drainage onto private off-site or adjacent property shall require a written permission to grade and/or a permission to drain letter from the affected property owner.
53. No on-site or off-site work shall commence without obtaining the appropriate permits for the work involved from the Town. The approved permits shall be readily available on the job-site for inspection by the Town personnel.
54. All grading activities shall minimize dust through compliance with AQMD Rule 403.
55. Prior to issuance of a grading permit, a Fugitive Dust and Erosion Control Plan shall be submitted and approved by the Building Official.
56. A Notice of Intent to comply with Statewide General Construction Stormwater Permit (Water Quality Order 99-08-DWQ as modified December 2, 2002) is required for the proposed development via the California Regional Water Quality Control Board (phone no. 760-346-7491). A copy of the executed letter issuing a Waste Discharge Identification number shall be provided to the Town prior to issuance of a grading permit.

57. Prior to any work being performed in the public right-of-way, fees shall be paid and an encroachment permit shall be obtained from the Town. The Applicant shall apply for an encroachment permit from the Town for utility trenching, utility connection, or any other encroachment onto public right-of-way. The Applicant shall be responsible for the associated costs and arrangements with each public utility.
58. All existing street and property monuments within or abutting this project site shall be preserved consistent with AB 1414. If during construction of onsite or offsite improvements monuments are damaged or destroyed, the Applicant/ Developer shall retain a qualified licensed land surveyor or civil Engineer to reset those monuments per Town Standards and file the necessary information with the County Surveyor's office as required by law (AB 1414).
59. All improvement plans shall be designed by a Registered Civil Engineer.
60. Any and all graffiti shall be removed within twenty-four (24) hours of discovery or notification by the Town.
61. All refuse shall be removed from the premises in conformance with Yucca Valley Town Code 33.083.
62. Handicapped site access improvements shall be in conformance with the requirement of Title 24 of the California Building Code.

PRIOR TO ISSUANCE OF A CERTIFICATE OF OCCUPANCY

63. The Applicant shall restore any pavement cuts required for installation or extension of utilities for his project within the public right-of-way. In all cases where cuts are allowed, the Applicant is required to patch the cuts to Town standards and the approval of the Town Engineer. The patching shall include a grinding of the pavement to a width 4 feet beyond the edge of the trench on each side, or as determined by the Town Engineer, and replacement with a full-depth asphalt concrete recommended by the Soils Engineer.
64. Prior to the issuance of a certificate of occupancy street plans prepared by a recognized professional Civil Engineer shall be submitted, and the corresponding fees shall be paid to the Town. The final street plans shall be reviewed and approved by the Engineering Division. The applicant/owner is responsible for all fees incurred by the Town. Prior to Certificate of Occupancy, the Engineer-of-Record shall survey and certify that the site grading was completed in substantial conformance with the approved Grading Plans.

65. Street improvements shall be completed prior to issuance of a certificate of occupancy.
66. The retention basin and/or underground storage system shall be constructed and functional prior to the issuance of certificate of occupancy for the project.
67. The traffic signal at the intersection of SR 62 and Warren Vista Drive shall be relocated prior to the issuance of the first certificate of occupancy.
68. The Applicant shall submit written proof to the Building Official that the Applicant has complied with all conditions of approval or comments, as required, from the High Desert Water District, and Colorado Regional Water Quality Control Board. Applicant shall comply with applicable requirements of NPDES (Non-Point Pollution Discharge Elimination System).
69. The Applicant shall construct the replacement of any identified damaged curb and gutter, sidewalk, drive approach, asphalt concrete pavement, meter boxes, and other infrastructure that may be required by the Town Engineer or another Agency.
70. The Applicant shall install all water and sewer systems required to serve the project. The location of the proposed septic system(s) shall be shown on the project grading plan(s).
71. Prior to the issuance of a Certificate of Occupancy all improvements shall be constructed, final inspection performed, punch-list items completed, and all installations approved by the appropriate agency.
72. All existing street and property monuments within or abutting this project site shall be preserved consistent with AB 1414. If during construction of onsite or offsite improvements monuments are damaged or destroyed, the Applicant/ Developer shall retain a qualified licensed land surveyor or civil Engineer to reset those monuments per Town Standards and file the necessary information with the County Recorder's office as required by law (AB 1414).
73. The Developer and his Contractor(s) shall observe the construction of this project to make certain that no damage or potential for damage occurs to adjacent roadway, existing improvements, adjacent property and other infrastructure. The Developer shall be responsible for the repair of any damage occurring to offsite infrastructure and/or property damage as determined by the Town Engineer. The Developer shall repair any such damage prior to certificate of occupancy. If the damage is such that it is not repairable within a reasonable amount of time as determined by the Town Engineer, the Developer may petition the Town Engineer for additional conditions that may allow him the time, amount of surety and other requirements to repair the damage.

74. The Developer and his Contractor(s) shall be responsible for all improvements that he has constructed within the public right-of-way as required by the conditions of approval. The improvements shall be constructed to the standards and requirements as determined and approved by the Town Engineer. Any improvements not considered to be to the required standards shall be replaced by the Developer. The Developer shall be required to maintain and repair those improvements prior to and after acceptance by the Town Council for the length of time required by the applicable conditions, standards and ordinances.
75. The septic system shall be maintained so as not to create a public nuisance and shall be serviced by a DEHS permitted pumper. Soil testing for the subsurface disposal system shall meet the requirements of the Department of Environmental Health Services. Applicant shall submit a minimum of three (3) copies of percolation reports for the project site and an appropriate fee to DEHS for review and approval, a copy of the cover sheet with an approval stamp to Building and Safety Division at the time of building permit application, and two (2) copies of the approved percolation report to the Building and Safety Division at the time of construction plan check. The location of the septic system shall be shown on the project grading plans.
76. All exterior lighting shall comply with the Outdoor Lighting Ordinance and shall be illustrated on all construction plans.
77. The applicant shall pay in-lieu fees for the project's fair share costs of the Bike Lane within Warren Vista.

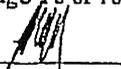

I HEREBY CERTIFY THAT THE APPROVED CONDITIONS OF APPROVAL WILL BE SATISFIED PRIOR TO OR AT THE TIMEFRAMES SPECIFIED AS SHOWN ABOVE. I UNDERSTAND THAT FAILURE TO SATISFY ANY ONE OF THESE CONDITIONS WILL PROHIBIT THE ISSUANCE OF ANY PERMIT OR ANY FINAL MAP APPROVAL.

RATE AND METHOD OF APPORTIONMENT OF SPECIAL TAXES

TOWN OF YUCCA VALLEY
COMMUNITY FACILITIES DISTRICT NO. 1
(Maintenance Services)

A Special Tax of Community Facilities District No. 1 Maintenance Services of the Town of Yucca Valley (the "District") shall be levied on all Assessor's Parcels in the District and collected each Fiscal Year commencing in Fiscal Year 2011-12 in an amount determined by the Town through the application of the rate and method of apportionment of the Special Tax set forth below. All of the real property in the District, unless exempted by law or by the provisions hereof, shall be taxed for the purposes, to the extent and in the manner herein provided.

A. DEFINITIONS

The terms hereinafter set forth have the following meanings:

"Act" means the Mello-Roos Community Facilities Act of 1982, being Chapter 2.5, Part 1, Division 2 of Title 5 of the Government Code of the State of California, as amended.

"Administrative Expenses" means the actual or estimated costs incurred by the Town as administrator of the District to determine, levy and collect the Special Taxes, including salaries and benefits of Town employees whose duties are directly related to administration of the District and the fees of consultants, legal counsel, the costs of collecting installments of the Special Taxes upon the general tax rolls, preparation of required reports; and any other costs required to administer the District as determined by the Town.

"Annual Escalation Factor" means the greater of the increase in the annual percentage change of the All Urban Consumers Consumer Price Index (CPI) or four percent (4%). The annual CPI used shall be for the San Diego Area as determined by the Bureau of Labor Statistics.

4. Tax-Exempt Property

No Special Tax shall be levied on Tax-Exempt Property.

D. METHOD OF APPORTIONMENT OF THE SPECIAL TAX

Commencing with Fiscal Year 2011-12, and for each subsequent Fiscal Year, the District Administrator shall calculate the Special Tax Requirement based on the definitions in Section A and levy the Special Tax as follows until the amount of the Special Tax levied equals the Special Tax Requirement. First, the Special Tax shall be levied each Fiscal Year on each Assessor's Parcel of Developed Property up to 100% of the applicable Maximum Special Tax. Second, if the Special Tax Requirement has not been satisfied by the first step, then the Special Tax shall be levied each Fiscal Year on each Assessor's Parcel of Approved Property up to 100% of the applicable Maximum Special Tax for Approved Property. Third, if the Special Tax Requirement has not been satisfied by the first two steps, then the Special Tax shall be levied each Fiscal Year on each Assessor's Parcel of Undeveloped Property up to 100% of the applicable Maximum Special Tax for Approved Property.

E. APPEALS

Any taxpayer that believes that the amount of the Special Tax assigned to a Parcel is in error may file a written notice with the District Administrator appealing the levy of the Special Tax. This notice is required to be filed with the District Administrator during the Fiscal Year the error is believed to have occurred. The District Administrator or designee will then promptly review the appeal and, if necessary, meet with the taxpayer. If the District Administrator verifies that the tax should be changed the Special Tax levy shall be corrected and, if applicable in any case, a refund shall be granted.

F. MANNER OF COLLECTION

Special Tax as levied pursuant to Section D above shall be collected in the same manner and at the same time as ordinary *ad valorem* property taxes; provided, however, that the District Administrator may directly bill the Special Tax, may collect Special Taxes at a different time or in a different manner if necessary to meet the financial obligations of the District or as otherwise determined appropriate by the District Administrator.

G. TERM OF SPECIAL TAX

The Special Tax shall be levied in perpetuity.

RESOLUTION NO. 11-

A RESOLUTION OF THE TOWN COUNCIL OF THE TOWN OF YUCCA VALLEY SETTING A DATE FOR AN ELECTION ON THE COMMUNITY FACILITIES DISTRICT NO. 11-1 SPECIAL TAX LEVY FOR FY 2011/12 AND THE ESTABLISHMENT OF AN APPROPRIATIONS LIMIT FOR TOWN OF YUCCA VALLEY COMMUNITY FACILITIES DISTRICT NO. 11-1

WHEREAS, the Town of Yucca Valley established the Community Facilities District No. 11-1 (the “District”), pursuant to the Mello-Roos Community Facilities Act of 1982 (“Mello-Roos Act”; Government Code § 53311, *et seq.*), by adopting Resolution No. 11-23 “Resolution of the Town Council of the Town of Yucca Valley Establishing Community Facilities District No. 11-1, Authorizing the Levy of a Special Tax Within the District, Preliminarily Establishing an Appropriations Limit for the District, and Submitting Levy of the Special Tax and the Establishment of the Appropriations Limit to the Qualified Electors of the District” (the “Resolution of Formation”), ordering the formation of the Town of Yucca Valley Community Facilities District No. 11-1, (the “District”); and

WHEREAS, in order to accomplish the Town’s desired purpose for the District, the Town must conduct a special election; and

NOW, THEREFORE, BE IT RESOLVED by the Council of the Town of Yucca Valley as follows:

SECTION 1. Pursuant to Section s 53326.53353.5 and 53325.7 of the Act, propositions of the levy of the special tax on property within the District, and the establishment of the appropriations limit for the District shall be submitted to the qualified electorate of the District at an election called thereof as provided below.

SECTION 2. As authorized by the Section 53353.5 of the Act, the two propositions described in Section 1 above shall be combined into a single ballot measure, the form of which is attached as Exhibit “A” and by this reference incorporated herein. Said form of ballot is hereby approved.

SECTION 3. The Town Council submits to the qualified voters of the District the question of levying a new special tax to finance public facilities and services within the District, as specified in the Resolution of Intent.

SECTION 4. The Town Council hereby calls for a special election to consider the measures described in Section 1 above, which election shall be held on August 2, 2011. Pursuant to Section 53327 of the Act, the election shall be conducted by the use of mailed ballots, or hand delivered ballot pursuant of Section 4000 of the California Election Code. All mail ballots shall be returned to the Town Clerk’s office (by mail or personal delivery) no later than 5:00pm on

August 2, 2011, or shall be delivered personally to the Town Clerk no later than the close of the special election on such date.

SECTION 5. In the event that landowners owning all of the property within the District that is subject to the proposed special tax have waived election requirements and/or designated other entities to cast their votes on their behalf, such votes may be cast (verbally or otherwise) at the election by any person or body so designated, and all votes cast shall be counted by the Town Clerk in determining the final vote.

SECTION 6. The Town Clerk is hereby directed to publish in a newspaper of general circulation circulating within the area of CFD No. 11-1 a copy of this Resolution as soon as practicable after the date of adoption of this Resolution.

SECTION 6. In the event that two-thirds or more of the votes cast favor the levying of the special tax, the Town Council may, by ordinance, levy the special tax.

APPROVED AND ADOPTED this 2nd day of August 2011.
