Home Occupations

84.0615

(a) PURPOSE AND INTENT:

- The purpose and intent of this Section is to establish regulations allowing for the operation of certain business activities in single and multi-family residential neighborhoods. The standards and requirements are intended to ensure that home based business operations do not alter the character of any residential neighborhood, or create impacts or activities that are not typically and commonly associated within residential neighborhoods. It is the intent of this Section to allow for commercial uses that are accessory and incidental to the primary purpose of residential homes, which is that of providing a habitable dwelling for the owner or occupant as the primary use of the residential dwelling unit. Home Occupation permits may be allowed in multi-family zoning and in multi-family units, including duplexes, tri-plexes, and apartment units.
- (b)** No person shall engage in a home occupation without first obtaining a special use permit from the Planning Division consistent with the requirements of this Chapter, unless otherwise exempt.
- (c)** The Director of the Community Development Department, or his designee, shall review all applications for a Home Occupation Permit to determine if the proposed use meets all of the standards of subsection 84.0615 (j). If all standards are met after complying with the notice provisions of this subsection, the Community Development Director shall make the following findings prior to issuance of the permit:

- (1) That the proposed use is not prohibited;
 - (2) That the proposed use will comply with all applicable standards;
 - (3) That the issuance of the Home Occupation Permit will not be detrimental to the public health, safety, and general welfare;
 - (4) That the proposed use will be consistent with any applicable specific plan.
 - (5) That the proposed use will not alter the character of the neighborhood and will not induce physical or socioeconomic changes to the neighborhood that are inconsistent with the goals and objectives of the General Plan, and the development code, and that do not create characteristics more closely associated with commercial, office or industrial land use activities.
- (d) (1) In accordance with Section 83.010330 *Notice of Pending land Use Decision*, notice shall be given, except that such notice will be given at least fifteen (15) days prior to the scheduled hearing date. If no response has been received by the Town five (5) days prior to the scheduled hearing date and the applicant has no objections to the conditions of approval, the Community Development Director may elect not to hold a formal hearing.
- (2) Home Occupation Permits are subject to review by the Community Development Director annually, or as a result of any written complaint.
- (3) Telecommuting and internet or electronic based businesses, or other similar activities that are transparent inside the residential structure, and do not involve customer to site, employees, or any structural alteration are exempt from permitting requirements.
- (e) Subject to the authority and discretion of the Director, Home occupations that meet the following standards, after appropriate application and subject to a field investigation, may be permitted without notice or a hearing. Alternatively, the Director may schedule a hearing or forward the matter to the Planning Commission for action. The Director may establish any other special condition of approval for any Home Occupation Permit as necessary to carry out the intent of this subsection.
- (1) There is no visible or external evidence of the home occupation. The dwelling was not built, altered, furnished or decorated for the purpose of conducting the home occupation in such a manner as to change the residential character and appearance of the dwelling, or in such a manner as to cause the structure to be recognized as a place where a home occupation is conducted;
