

# MID-TOWN MASTER LAND USE VISION AND MOBILITY PLAN

# COMMUNITY WORKSHOP #1

Please join us for a Community Workshop to help shape the future of the Mid-Town area in Yucca Valley. Mid-Town is the heart of Yucca Valley, both from a geographical standpoint and with the Government and Community Center located here. Your input is crucial as we plan for future development and public improvements in this area.

This Community Workshop will be an interactive workshop, where you will have a chance to discuss conceptual scenarios related to land use, transportation, open space, and pedestrian linkages, as well as share your own ideas and vision for the area. Your participation is important to creating a viable and successful plan for the area. Be a part of this collaborative planning process!

For more information about the Mid-Town Master Land Use Vision and Mobility Plan, please contact Shane Stueckle, Deputy Town Manager, at (760) 369-6575, [sstueckle@yucca-valley.org](mailto:sstueckle@yucca-valley.org).

**Thursday, October 4, 2012  
5:00 - 7:00 PM**

**Yucca Room at the Yucca Valley  
Community Center  
57090 Twentynine Palms Highway**
