ADDENDUM NO. 1

TO THE
BID DOCUMENTS
FOR

PROJECT NO. 5009A

WELCOME CENTER PARKING LOT REPAIRS PROJECT

To: ALL BID DOCUMENT HOLDERS

There appears to be confusion as to the scope of work for the project.

In the Construction Agreement section of the document on Exhibit "A", Scope of Work it describes a scope of work. **This is not the scope of work for this project.** At this point the Construction Agreement is intended as a sample of a typical agreement that the contractor will be required to sign if awarded the project. This scope will be changed in the final contract to reflect the actual scope of work.

However, the description of work on page SP-1 is incorrect. Please replace that description of work to be:

Crack filling the existing parking lot, placement of a seal coat on the parking lot and re-striping.
