

# Town of Yucca Valley Youth Commission

Did you know that the Town of Yucca Valley has a Youth Commission? The Youth Commission was established in 1995 to provide for communication between Yucca Valley's elected officials and the young people of the community.

Students in grades 7 through 12 who attend school in Yucca Valley are eligible to serve on the Yucca Valley Youth Commission. A limited number of commissioners can be appointed each year, with an effort to represent a variety of schools and grades. Previous commissioners may be reappointed to serve additional terms. Appointments are made in the fall with Commission members serving during the school year. The Youth Commission is not active in the summer months.

Students may apply to serve on the Youth Commission by completing an application. Applications are available at school offices, the community center, or online at [www.yucca-valley.org](http://www.yucca-valley.org). The deadline to return a completed application for the 2019-20 program is October 1, 2019.

Each year, Youth Commissioners serve the community through volunteering at Town events, hosting youth activities, and discovering creative and effective ways to communicate with the young people of the community. The Youth Commission meets regularly with Town of Yucca Valley staff members to accomplish their goals. Activity reports are presented to the Parks, Recreation, and Cultural Commission and a final report is given to the Town Council. Meetings are held monthly with workshops as needed.
