Actual fees will vary based on square footage, location, whether the home is part of a housing tract or is being built on an infill lot, and other factors. Information regarding other agency fees is provided as a reference only and may not reflect the current fees collected by those agencies. Applicants are responsible for ascertaining fees collected by other agencies, including those that may not be listed. For a specific estimate for Town fees, please contact the Town of Yucca Valley, Building and Safety Division.
