ONAGA TRAIL PEDESTRIAN IMPROVEMENT PROJECT

Town Project No. 7005-2020

ATP No. 5466(025)

ONAGA TRAIL PEDESTRIAN IMPROVEMENT PROJECT

Project Description

- The project is located on Onaga Trail between Acoma Trail and approximately Grand Avenue.
- It is divided in two (2) segments due to existing constraints to meet the General Plan designation. (Arterial – 4 Lane Divided – 100' ROW)
- Both segments would have full width pavement, **curb and gutter, handicap ramps, and sidewalk on both sides of Onaga Trail.**
- This would result in sidewalks on both sides of Onaga Trail, between Sage Avenue and Acoma Trail.

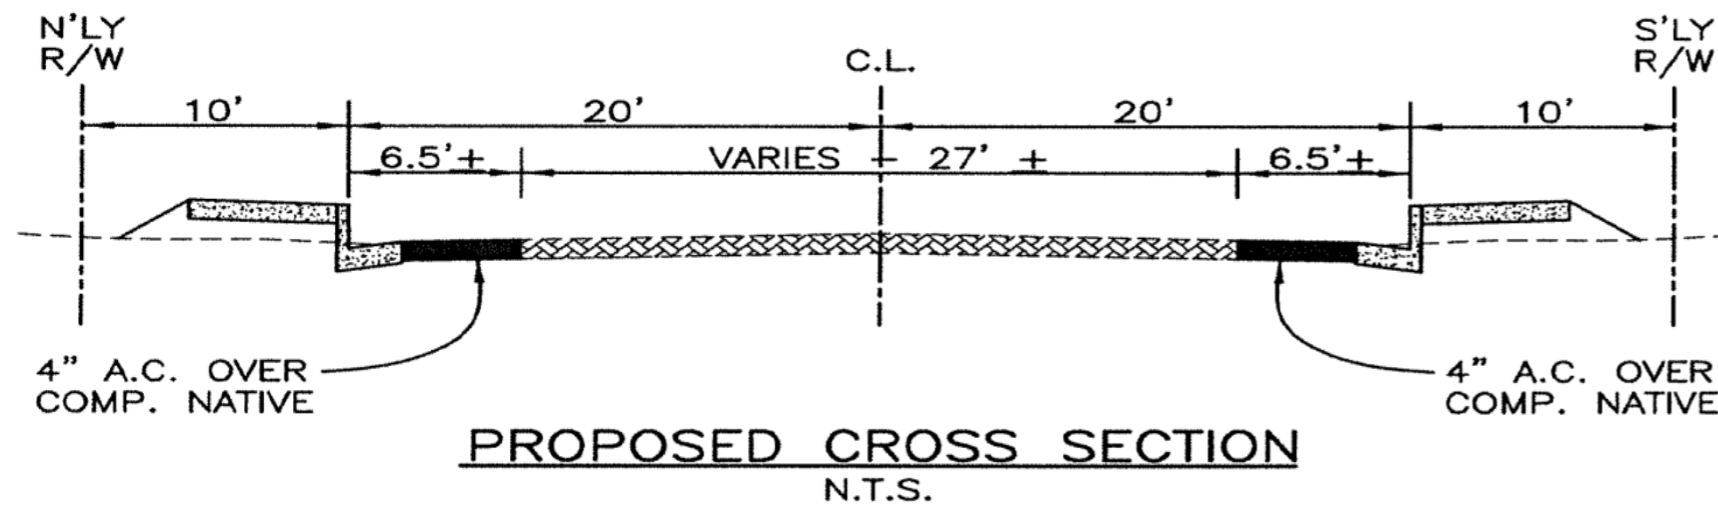

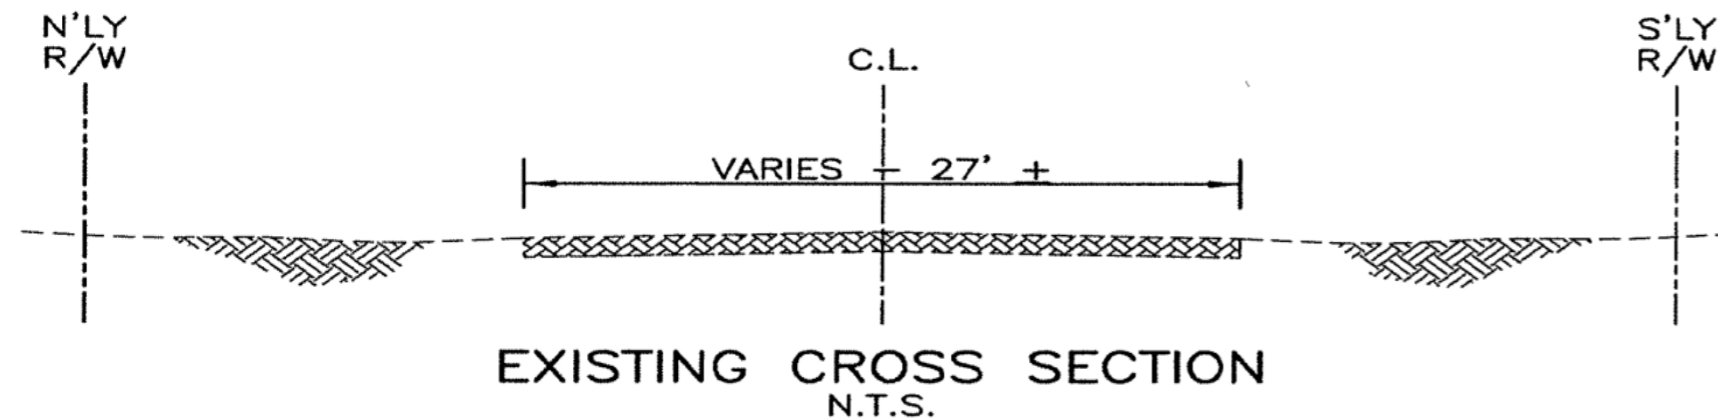

ONAGA TRAIL PEDESTRIAN IMPROVEMENT PROJECT

Proposed Improvements

1st Segment - Onaga Street, between Acoma Trail and Church Street

ACOMA TRAIL TO CHURCH ST.

Improved to a local road standard of 60 foot right of way.

No additional right of way would be required.

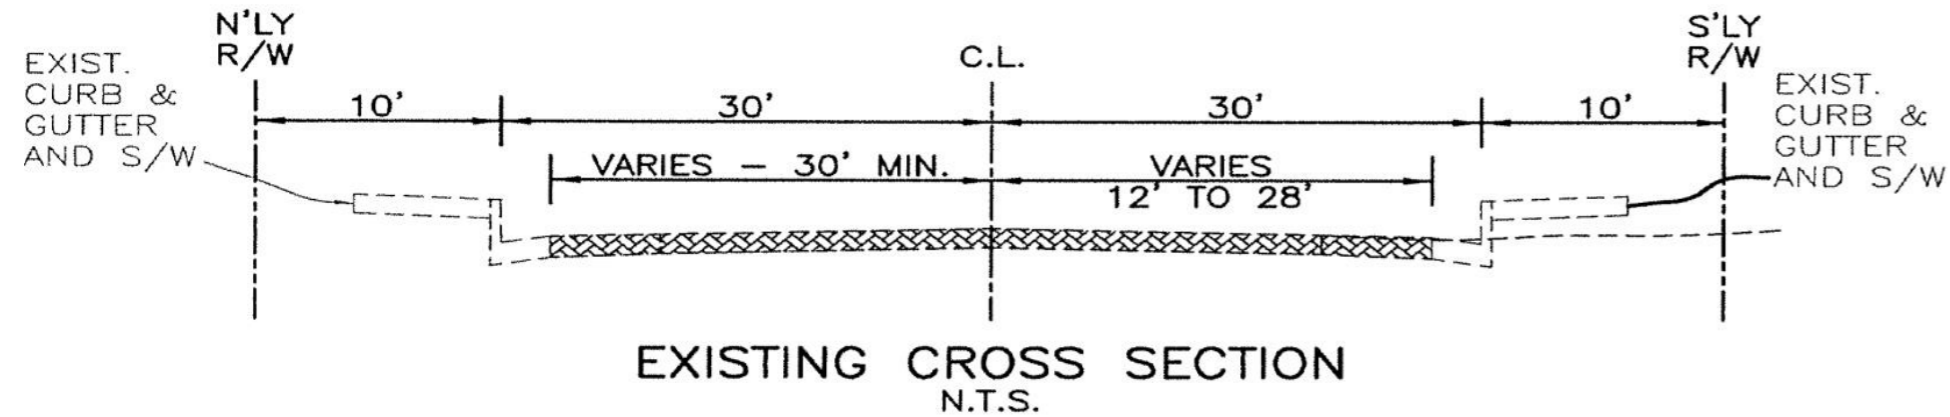

Improvements can be constructed with minimal impact to the existing residences.

ONAGA TRAIL PEDESTRIAN IMPROVEMENT PROJECT

2nd Segment - Onaga Street, between Church Street and approximately Grand Avenue

CHURCH ST. TO SAGE AVE.

Improved within the existing 80 foot right of way.

Eighty (80') feet will allow for:

- four lanes of traffic,
- a painted median with turn pockets,
- no on-street parking, and
- no shoulder.

LITTLE LEAGUE DRIVE PEDESTRIAN IMPROVEMENT PROJECT

Town Project No. 8970-2020

ATP No. 5466(024)

LITTLE LEAGUE DRIVE PEDESTRIAN IMPROVEMENT PROJECT

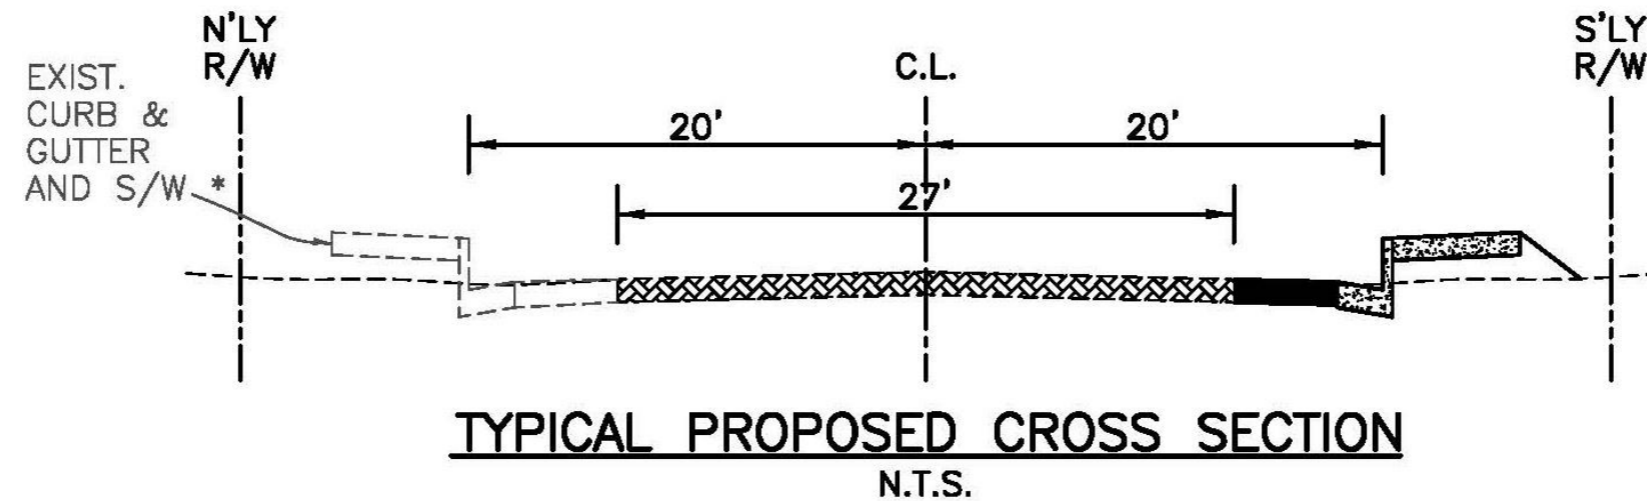

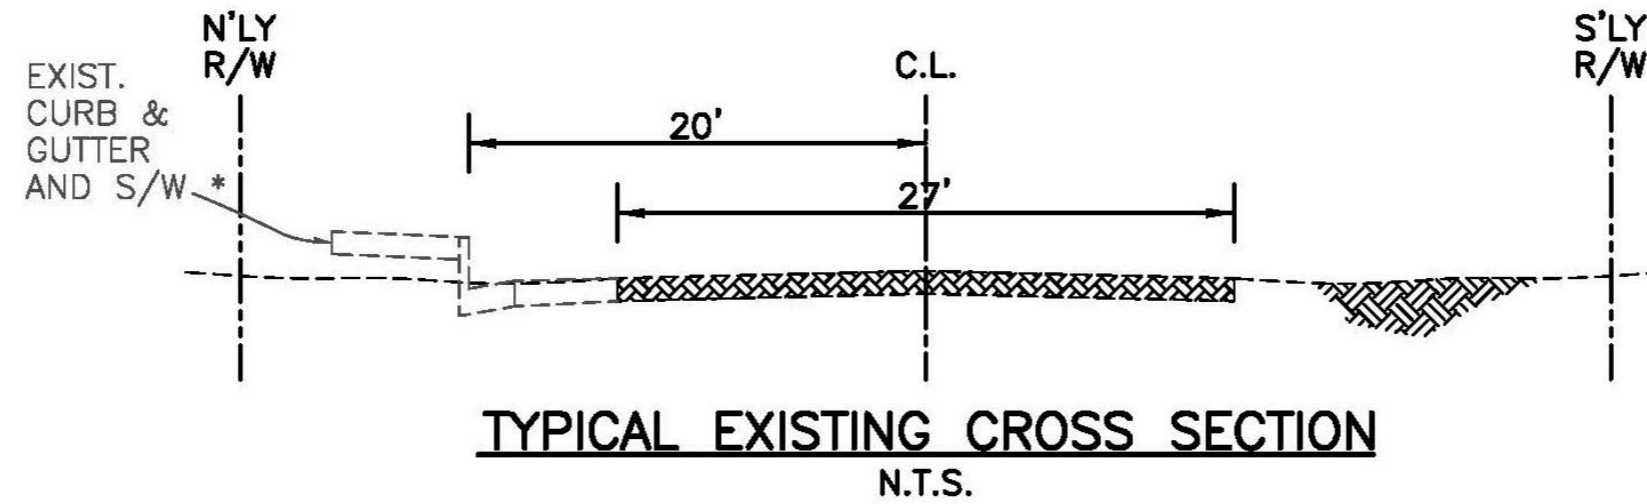

Project Description

- The project is located on Little League Drive between Palm Avenue and Sage Avenue.
- The Project consists of constructing curb and gutter, sidewalk, handicap ramps, driveways, and signing and striping.
- **Majority of the work will occur on the south side of the roadway.**
- No widening of the road will occur in locations with existing curb and gutter. However, curb ramps at the intersections may need to be installed/retrofitted.
