What is a Temporary Short-Term Vacation Rental Permit?

Temporary Short Term Vacation Rentals are regulated by Chapter 5.40 of the Town of Yucca Valley Development Code. A Temporary Short Term Vacation Rental permit request is to allow the temporary short term vacation rental of single-family dwelling units and duplex units and to ensure compliance with the rules and regulations contained within the Town's Development Code. The Temporary Short Term Vacation Rental Permit is valid for a maximum two (2) year period and expire on the date of expiration listed on the permit. Permit renewal application shall be applied for and evaluated by the Town consistent with this Chapter. No renewal application can be processed if it has expired prior to the permit renewal application being filed with the Town.

Who approves the Temporary Short Term Vacation Rental Permit?

The Temporary Short Term Vacation Rental application is reviewed and approved by the Director of Community Development.

How is the application processed?

Temporary short term vacation rental Permits are approved based upon compliance with the standards in Chapter 5.40 of the Yucca Valley Development Code. Upon the submittal of the required materials and payment of fees, the Temporary Short Term Vacation Rental Permit request will be reviewed by Planning Division staff.

In accordance with Government Code Section 65943, the Town has 30 days within which to notify an applicant, in writing, that an application is complete or that additional materials will be required.

It is important to know that if an application is approved, that approval does not become final for ten (10) calendar days. During this time, the decision may be appealed pursuant to Chapter 9.81 of the Yucca Valley Development Code.  - i. The occupants will be reminded of the 10pm-7am quiet hours policy along with the Town’s “Good Neighbor” rules. A warning will be issued that a repeat violation could result in (but not limited to) immediate termination of their reservation.
