## **Transmittal Letter**

To: Honorable Mayor and Town Council From: Curtis Yakimow – Town Manager Subject: FY 2022-24 Proposed Budget

**Date:** May 17, 2022

### Introduction

Town staff is pleased to present you with the proposed budget for the 2022-24 fiscal years for the Town of Yucca Valley. Due to its importance as both a funding and policy document, the Town's annual budget is one of the most critical tasks undertaken by both Town Council and staff. With its adoption, the budget document becomes the financial plan for the Town, reflects the Town's priorities and responsibilities, and provides for the implementation of the Town's Strategic Plan, which serves as the basis for the proposed budget.

This budget establishes the Town's spending plan, along with applicable funding resources, in our effort to meet the service requirements of Yucca Valley's residents, businesses, and institutions. Equally important, the budget addresses a variety of community priorities, as defined by the Town Council, residents and staff through the most recent Strategic Plan adoption and resident priority surveys. Highlights of these priorities include:

- Emphasis on Fiscal Responsibility The proposed budget for FY 22/24 is a financially balanced budget, with anticipated operating revenues exceeding anticipated operating expenditures by \$85,000 in FY22-23 and \$158,000 in FY23-24.
- Emphasis on Stable Reserves Continues to implement the Town Council's current reserve policy, and provides for a solid level of reserves, both designated and undesignated. The budget identifies a reserve level at 51% and 50% in each year, and will provide for a reasonable level of resources in the event of economic hardships or emergency.

Additionally, it is very important to the Town to develop it budget policies with current community perspectives and priorities in mind. Towards this end, the Town recently conducted an updated Community Priorities Setting survey. Completed in the past month, residents identified the following priorities:

- ✓ Maintaining local streets and repairing potholes
- ✓ Continuing to provide quick responses to 9-1-1 emergencies
- ✓ Cleaning up trash and litter on Town streets, sidewalks, and public areas
- ✓ Improving street intersections and signals to better manage traffic congestion
- ✓ Maintaining police services, including neighborhood police patrols, crime prevention, and investigation.

Respondents also expressed continuing interest in local control over taxpayer dollars and making sure visitors to the Town continue to pay their fair share of their use of Town services, streets, and emergency programs.

#### **Revenue Outlook**

As with many municipalities, the Town of Yucca Valley funds the majority of its services through the Town's General Fund. The Town's General Fund projects revenues of \$16.7m in FY22/23 and \$17.4m in FY23/24. While the General Fund receives revenues from a variety of sources, the bulk of the revenues come from four primary sources:

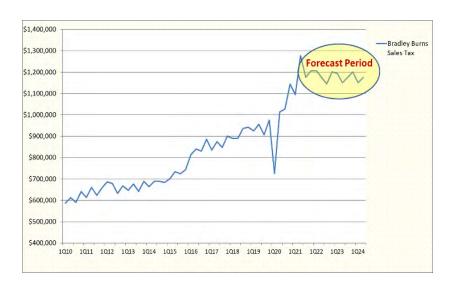

- Property tax
- Sales and use tax

- Franchise fees
- Transient Occupancy Tax

As indicated, the Town's revenues are tied to a limited number of sources, and as such, remain vulnerable to fluctuations in these sources. The proposed budget for FY 22/23-23/24 anticipates moderate increases in Sales and Use tax and Transient Occupancy tax, with relative stability in franchise fees and property tax revenues for the Town. Each of these revenues' sources are more fully discussed below.

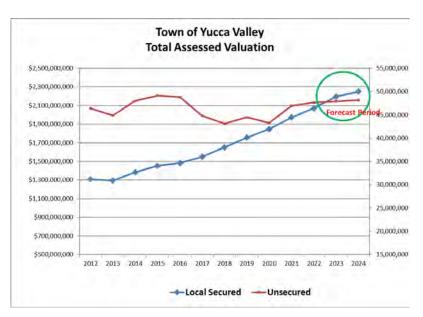

#### Sales Tax

FY2021-22 demonstrated a strong recovery from the decline in Sales Tax revenues due to the COVID-19 public health emergency. Throughout the recent fiscal year, Sales Tax revenues have recovered and are expected to meet or exceed pre-pandemic trends due to changes in tax collections from online sales, increased tourism and economic development in the area.

#### **Property Tax**

The Town of Yucca Valley receives 16.5 cents of each property tax dollar received by San Bernardino County for property tax collected on property located within the Town limits. This tax is based on the assessed value of the individual property at the time of purchase or completion, and remains fixed (subject to a 2% annual adjustment cap) until the property is reassessed with a change in ownership or valuation.

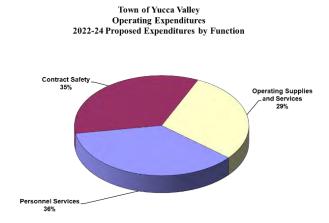

The Town's property tax revenues have reversed prior year declines and have shown steady but consistent assessed valuation growth. The upcoming forecast year projects property tax to increase by 6%. This projection is based on the steady increase in sales activity and higher estimated property valuations in recent years. Based on the actual revenues received by the Town, it appears that 2013-14 was the market bottom in assessed valuations. Since then, assessed valuation associated with property within the Town has recovered at a reasonable growth rate, and shows signs of continuing within the budget period.

#### Other Revenue Sources

The Town receives the remaining General Fund revenues from a variety of sources including franchise fees, service fee revenues, interest earnings, transient occupancy tax, and various reimbursements. The fiscal year 2022-24 budget reflects the following significant items of impact:

- <u>Franchise Fee Revenues</u> Projected to increase slightly, franchise fee revenue remains a primary source of General Fund revenue.
- <u>Transient Occupancy Tax (TOT)</u> With adoption of the Short-Term Vacation Rentals (STVR) Ordinance and a Voluntary Collection Agreement with AIRBNB and HomeAway, Inc., as well as increased occupancy in hotels within the Town, transient occupancy increased over the past two years. Tourism to the area has continued to grow through 2022, and TOT revenues are projected to increase moderately through FY2022-24.

### **General Fund Expenditures**

General Fund expenditures are primarily town-wide general service type expenditures and represent the costs of providing the basic service needs of the community. Examples of such expenditures include public safety costs, personnel costs, operating supplies and services, and park and facility maintenance. Total General Fund expenditures are budgeted at \$16.6 million in FY22/23 and \$17.3 million in FY23/24.

#### **Public Safety**

The provision of adequate public safety resources remains the top priority of the Town Council. The Town's public safety services are provided through a contract with the San Bernardino County Sheriff's Department. The proposed public safety costs for the two-year budget are funded by both the General Fund and the Measure Y Town Essential Services Special Revenue Fund. For fiscal year 2022-24 the General Fund portion represents 30% of the annual budget. The total FY22/23 Schedule A contract totals \$5,891,577, a 1.5% increase from the prior year. In addition, the Town's Sales Tax Measure Y accommodates a portion of the Schedule A contract by funding the contribution of maintenance, the Detective and Sheriff Safety Specialist positions, for a total of \$912,000 budgeted in Measure Y in FY22-23 and \$856,000 in FY23-24.

While the majority of the Town's public safety costs are funded through the General Fund and Measure Y, there are additional one-time grant funds the Town receives to assist in defraying the capital costs associated with public safety. These are identified in the Town's Special Revenue funds. The proposed budget includes the State's Supplemental Law Enforcement Special Fund in the amount of \$200,000 annually.

#### Personnel Services

Direct staff costs to provide the programs and services of the Town are reflected in the Town's Personnel Services expenditures. The proposed budget incorporates a few modifications to ensure that the Town staffing structure is appropriate to meet the program and service levels as determined by the Town Council through the budget. These changes are identified as follows:

- Staffing additions of 2 full-time positions in FY22-23
- Ramp up for the upcoming aquatic center with the staffing additions beginning in FY23-24
- Includes 2.5% increase for Cost-of-Living Adjustment
- Inflation Impact policy recommended for FY22-23

With the prior council actions to restructure employee benefits, personnel service costs have been managed in a cost-conscious manner. As an example, implementation of a three-tier retirement program is yielding savings as retirements occur and replacement staff is brought on. Of the current full-time benefitted staff, 14 remain in the Town's Tier-1 program while the remaining 24 staff members are in the Tier-2 or Tier-3 retirement programs. This shift to Tiers 2&3 will provide long-term savings to the Town, while providing retired employees confidence in the Town's ability to meet future retirement commitments.

#### **Operating Supplies and Services**

Expenditures for Town operations and contract services are projected to total \$4.4 million for FY22-23 and \$4.5 million in FY23-24, reflecting a 6% aggregate increase. Included in these expenditures are specific line items such as Town legal counsel, information technology services and supplies, planning, building and safety, engineering professional services contracts, and risk management activities. Other expenditures include community partnership requests, disaster preparedness activities, recycling and solid waste programs.

#### **Measure Y Integration**

As referenced above, the proposed budget for FY 22/24 incorporates the funding provided by Measure Y. Adopted by Town voters in 2016, Measure Y focuses on three specific priorities; Public Safety, Infrastructure and Quality of Life. As part of the FY 22/24 proposed budget, the Town can continue to include specific initiatives that are only possible with the resources provided by Measure Y, including:

- Enhanced Public Safety New Detective and Sheriff Safety Specialist
- Continuation of Full Public Safety Service Levels
- Completion of town-wide infrastructure improvements and maintenance
- Expanded Senior Service Programming
- Expanded partnerships with non-profit service providers

The proposed budget for FY 22/24 includes the recommendations of the Revenue Measure Oversight Commission.

### **General Fund Reserve**

As one of the Town Council's priorities, a sound fiscal reserve is maintained in the proposed budget. Such a reserve is essential to accommodate the ever-changing economic environment that municipalities function within, which is especially present in the most recent public health emergency. Events such as State subvention takeaways, redevelopment agency elimination, economic recession, environmental emergencies, and other unforeseen fiscal emergencies place an enormous burden on the local municipality. As such, a conservative, prudent fiscal reserve policy is essential to ensure the Town's ability to respond to such uncertainties as it is now.

The anticipated General Fund reserve for the proposed budget is as follows:

	Proposed FY22-23	Proposed FY23-24
Fund Balance Summary Unassigned Reserves	8,541,304	8,593,391
Nonspendable Restricted	180,000 3,193,000	180,000 3,288,790
Assigned-Risk Management Assigned-Catastrophic	300,000 1,000,000	300,000 1,000,000
Assigned-Retiree Obligation Assigned-Other	5,209,522	5,209,522
Ending Fund Balance	18,423,826	18,571,703
Operating Reserves (% of Expend)	51%	50%

Under the Town's current reserve policy, the level of General Fund undesignated reserves is to remain in the range of 50-55 percent of operating expenditures. The proposed level of total undesignated reserves is projected to be approximately 50% and 51% in each respective year. This conservative approach will provide the Town with financial flexibility should the economic challenges at either the state or local level be more significant than anticipated.

### **Special Revenue Funds**

In addition to the Town's General Fund, the Town also receives and expends funds through its Special Revenue Funds. These funds account for monies received in the form of some of the following:

- Development Impact Fees
- Gas Tax Revenues
- COPS/SLESF Grants
- Road Maintenance and Rehabilitation Account (RMRA)
- SBCTA Measure I Fund(s)
- Town Assessment Districts
- Measure Z Sales Tax
- Other Grants/Loans

#### **Road Maintenance Fund Challenges**

In FY21-22 Gas Tax and RMRA tax have increased throughout the state, due to increased tax rates and fuel prices. This trend is expected to continue through the upcoming budget years. As material and energy costs may continue to increase as well, routine maintenance duties are becoming more costly. The result is that there is a potential for the Gas Tax Fund, RMRA Fund and Measure I Funds to be insufficient to fund the increasing street maintenance activities, thus necessitating the usage of other fund sources. This results in less available monies in those funds for new capital projects or major rehabilitation. The Road Maintenance and Rehabilitation Account (RMRA), funded through an increase in both gas tax and registration fees has been a vital funding for infrastructure maintenance and improvements.

Capital projects included in the proposed 2022-24 Special Revenue Funds include:

- Onaga and Little League Pedestrian Improvement Project
- Prop 68 Parks Bond Grant Aquatic and Community Center Project
- Annual street slurry seal and crack seal maintenance funded by Measure Y
- Town Services Consolidation Design

Additional detail for each special revenue fund is provided in the individual fund budget. Each budget identifies projected revenues, operating expenditures, capital expenditures and indirect cost expenditures proposed for FY 22/24.

### **Conclusion**

In keeping with the priorities established by the Town Council, the proposed budget reflects continued recovery in economic activity in fiscal year 2022-23 and fiscal year 2023-24. We would like to thank all who have contributed to the preparation of this budget. Without their assistance, input, ideas and discussion, this budget would not be possible. We also extend a special thanks to the Town's Finance Department staff and to the Department Directors and Managers for their diligent efforts and indispensable insight, and the continuous guidance and participation of our Town Council.

Finally, on behalf of the outstanding team of professionals who come to work every day to make Yucca Valley a better place, our collective "Thanks" to the residents and businesses in this community who allow us to serve them.

Respectfully submitted,

Curtis Yakimow

# Town Manager – Recycling and Solid Waste Management

#### **Mission Statement**

The mission of the Town's Recycling and Solid Waste program is to protect the environment by providing municipal recycling and solid waste disposal, household hazardous waste disposition, and universal waste recycling opportunities to all residents and businesses in the Town of Yucca Valley. This will be accomplished through carrying out the activities mandated by the California Integrated Waste Management Act (AB 939), the California Mandatory Commercial Recycling Bill (AB 341), the California Mandatory Organics Recycling Bill (AB 1826), and the Town's Source Reduction and Recycling Element and Household Hazardous Waste Element.

# **Description and Purpose**

The Recycling and Solid Waste program includes recycling, solid waste disposal, and household hazardous waste services for the town. The administrative responsibilities involve liaison and reporting duties with State, County, regional and local agencies dealing with recycling efforts, developing efficiency and innovations in the area of trash collection and recycling programs.

AB 939 mandated that the Town recover 50% of all solid waste generated within the Town by the year 2000. In 2012, AB 341 mandated a state-wide diversion goal of 75% of commercial solid waste to the landfills by the year 2020. And in 2016, AB 1826 was enacted and designed to move California to its statewide goal of a 75% recycling rate, including a reduction in the level of organic waste disposal by 50% from its current levels. In order to achieve these mandates, it is necessary to control 100% of the waste stream. This is being accomplished through the Town's mandatory service provision and collection program, the Town's commercial recycling program, by being an active member of the Mojave Desert and Mountain Recycling Joint Powers Authority, and significant education and outreach efforts to the public.

# Town Manager - Public Safety

#### **Mission Statement**

We believe in being a high performance, inclusive department with high professional standards of integrity, ethics and behavior — guided by the letter and spirit of the law, and the law enforcement code of ethics. We will relentlessly investigate criminal acts and arrest those guilty of violating the law, while building positive relationships with those we serve.

# **Description and Purpose**

In accordance with the policy direction of the Town Council, Public Safety within and for the Town of Yucca Valley is the top service priority of the Town. Maintaining the safety and security of Town residents, businesses and visitors is of paramount importance. The San Bernardino County Sheriff's Department has been providing contract law enforcement services to the Town of Yucca Valley since its incorporation. Through the contract, the Town of Yucca Valley is able to provide its citizens an enhanced level of police service and protection in a cost effective manner.

To meet specific community law enforcement needs over and above the basic patrol function, the Town Council, with participation of the residents through Measure Y, has authorized the Police Department to maintain the use of various specialized positions including school resource officers, traffic patrol officers, detectives and Sheriff Safety Specialists. The school resource officer serves a dual role as a law enforcer and educator within the community and at schools located within the Town limits. The traffic patrol officer serves specifically to reduce the rate of traffic collisions by combining high visibility patrol with the enforcement of vehicle code violations. Finally, the utilization of a Sheriff Safety Specialists allows the department to develop and deliver proactive crime prevention materials and programs to both the residential and business segments of the community.

## Interdepartmental Department

## **Description and Purpose**

The Town's Interdepartmental Department is used to budget and account for general activities and services performed for all Town departments. Through the Town's cost allocation plan, some of the expenditures are allocated to various special revenue funds in order to accurately reflect and reimburse the general fund support for such funds.

The Town may utilize this department for Town-wide expenditures including utility expenses, photographic reproduction and postage related costs, communication expense and other non-departmental expenditures.
