Agreement to Pay All Development Application Fees

In accordance with Town Council Resolution 04-38 the Town collects certain fees based on the actual cost of providing service. The application deposit for this project (as indicated below) may not cover the total cost of processing this application. I/We are aware that if the account has 25% or less remaining prior to completion of the project, staff will notify the undersigned in writing, of the amount of additional deposit required to complete the processing of the application, based on Staff's reasonable estimate of the hours remaining to complete this application process.

Further, I understand that if I do not submit the required additional deposit to the Town within 15 business days from the date of the letter, staff may stop processing of the application and/or not schedule the project for action by the Planning Commission or Town Council.

Any remaining deposit will be refunded to me at time of closeout after I have submitted any required approved project plans and forms, including signed conditions of approval, or upon my written request to withdraw the application.

As the applicant, I understand that I am responsible for the cost of processing this application and I agree that the actual time spent processing this application will be paid to the Town of Yucca Valley

Deposit Paid: \$ 535.00

Fees

The fee for processing a pre-application must be paid to the Town at the time the application is filed. In accordance with Town Council Resolution 04-38 the Town collects certain fees based on the actual cost of providing service. The application deposit for this project may not cover the total cost of processing this application and additional deposits may be required. A deposit of \$535 is required for the pre-application

Submittal Requirements

- ✓ 1) **PROJECT DESCRIPTION LETTER:** This will provide details on the existing conditions of the property and details regarding the proposed use and any proposed structures.
- ✓ 2) **SITE PLAN (Three copies):** This will show the parcel of land with all proposed buildings, walls, drive aisles, parking, landscape areas, sidewalks, streets, and any other proposed structure or object, drawn to scale. The plan should show easements, contour lines, flood areas, trees, surrounding land uses and existing structures.
- ~~3) **ELEVATIONS (Three copies):** This is a drawing of the external features of a proposed structure which includes all architectural features and types of materials proposed for finishing. Typically, this will include north, south, east, and west facing views of each building. This should be colored to represent the selected materials of the siding and roofing as displayed on the materials board. — N/A @ THIS TIME~~
- ✓ 4) **FLOOR PLANS (Three copies):** This is a drawing of the interior layout of buildings, showing all walls, doors, windows, counters and similar structures. When applicable, seating areas, number of seats and aisles, shall be clearly labeled.
- ~~5) **SUBDIVISION MAPS (Three copies):** This drawing will show boundary of the area to be divided, streets, lot lines, easements both existing and proposed, and drawn to scale. The drawing shall indicate acreage and proposed lot sizes. N/A~~
- ✓ 6) One set of 8 ½ X 11 and 11x17 reduction of all plans
- 7) One electronic copy of all materials provided
