The Temporary Short Term Vacation Rental Permit is valid for a maximum four (4) year period and expire on the date of expiration listed on the permit. Response Plans for Nuisance Complaints & Violations

1) Excessive Loud Music, Noises, and/or Parties

- **a.** A noise-monitoring device (i.e., NoiseAware) installed in communal areas and a Ring security camera installed in the front property will aid in verifying and/or detecting whether a violation took place.
- **b.** If loud disturbances are reported through a nuisance complaint, the Local Contact Person, or Owner, will notify the occupants immediately (and within 15 minutes) by phone or app message of the initial complaint.
 - i. The occupants will be reminded of the 10pm-7am quiet hours policy along with the Town's "Good Neighbor" rules. A warning will be issued that a repeat violation could result in (but not limited to) immediate termination of their reservation.
 - **ii.** If another violation is reported and verified, the occupants will be asked to vacate the premises and their stay will be terminated.
 - iii. If necessary, the Local Contact Person will arrive on-site within 30 minutes to diffuse the situation in-person or evict the occupants if required.
- **c.** Owner will contact the complainant(s) via phone call, email, or mailed to communicate that timely corrective action has taken place. The incident will be logged including date and time of response, and any recorded data from the monitoring devices mentioned above will be saved.

Note: Although the current regulations allow eight (8) occupants for a 3-bedroom home, we will reduce the number to six (6) guests to discourage loud parties.

Nuisance Response Plan – 1234 Main Street, Yucca Valley, CA 92284

- **b.** If lighting on the property violates the ordinance during a guest stay, or is reported to disturb a neighbor, the Local Contact Person, or Owner, will notify the occupants within 15 minutes of the call to shut off the lights. If necessary, the Local Contact Person will visit the property within 30 minutes to remedy the issue.
