

RESOLUTION NO. 23-33

**RESOLUTION OF THE TOWN COUNCIL OF THE TOWN OF YUCCA VALLEY,
CALIFORNIA, ESTABLISHING THE MASTER FEE SCHEDULE AND
RESCINDING ALL FEE RESOLUTIONS IN CONFLICT THEREIN**

WHEREAS, the Town of Yucca Valley adopted the County of San Bernardino fee schedule upon incorporation; and

WHEREAS, the Town of Yucca Valley has previously amended portions of those fee schedules; and

WHEREAS, due to the effects of inflation and other factors, the revenues from said fees are no longer sufficient to defray the cost of furnishing said services; and

WHEREAS, the Town of Yucca Valley commissioned an Independent Comprehensive Fee Study for all services provided by the Town of Yucca Valley; and

WHEREAS, the Comprehensive Fee Study Report identifies the cost and associated hourly rates to establish rates for full costs recovery; and

WHEREAS, a fee may not exceed the estimated reasonable cost of providing the service or facility for which the fee is charged which fees may include appropriate indirect costs; and

WHEREAS, the Comprehensive Fee Study Report estimates the reasonable costs for providing various services; and

WHEREAS, adopting a Master Fee Schedule is consistent with the Municipal Code of the Town of Yucca Valley, and shall promote the health, safety and general welfare of the citizens of the Town of Yucca Valley.

NOW, THEREFORE, BE IT RESOLVED THAT, IN CONSIDERATION OF THE EVIDENCE PRESENTED AT THE PUBLIC HEARING AND FOR THE REASONS DISCUSSED BY THE COUNCIL AT SAID HEARING, THE TOWN COUNCIL OF THE TOWN OF YUCCA VALLEY, CALIFORNIA, FINDS AND DETERMINES AS FOLLOWS:

Section 1. Based upon the State guidelines to implement the California Environmental Quality Act (CEQA), the proposed Master Fee Schedule is not defined as a project and is therefore exempt from further Environmental review.

Section 2. In accordance with California Government Code, Sections 66016 and 66018, the Town of Yucca Valley has:

- (a) held the Requisite PublicHearing
- (b) published notice of the Hearing twice at least ten (10) days prior to the Hearing
- (c) sent notice of the Meeting at least fourteen (14) days in advance to any interested person who has filed a written request
- (d) made available to the public at least ten (10) days before the Meeting data indicating the amount of estimated costs required to provide the service for which the fee or charges are levied and the revenue sources anticipated to provide the service, including General Fund Revenues.

Section 3.

The Town Council of the Town of Yucca Valley adopts the Comprehensive Fee Study Report, Attachment "A", attached to this Resolution, and the following guidelines:

- (a) The Town Manager retains the authority to adjust adopted fees in accordance with the Town Council's approved Fee Subsidization Policy.
- (b) Engineering fees are in the form of a deposit. In the event the deposit is exhausted while additional plan check, inspection, or permit services are required, additional funds to cover the cost of required services must be placed on deposit. The Engineering fees are applicable for the construction of new infrastructure, such as street improvement projects with residential, commercial, and industrial development projects.
- (c) Engineering inspection fees for encroachment permits cover the cost of inspection by Town staff. The fee for inspection by other than Town staff (i.e., contracted inspection services shall be the actual cost of said services. An initial deposit of one and one-half (1.5%) percent of the estimated value of work up to \$1,000,000.00 is required and one percent (1.0%) initial deposit is required for the estimated value of work exceeding \$1,000,000.00.
- (d) Deposit balances for engineering and planning development applications shall always remain above 25% of the required deposit. If the fund balance reaches 25% of the original deposit, and it is determined that additional funds will be required to process the application, no additional work shall be completed.
- (e) The fees set forth within the Master Fee Schedule are subject to an annual review of the inflationary factors recorded within the Consumer Price Index (CPI) and this inflationary factor is to be allocated to the recorded fees to allow the Town Council, by resolution, to annually increase or decrease the fees.

NOW, THEREFORE, BE IT RESOLVED, by the Town Council of the Town of Yucca Valley, California, as follows:
